| Previous and Current Hockey Experience | N/A just a fan of my kids and watching them play. |
| Why I am Running for the Board | To get more involved. I have four kids in hockey and I think this will give me the opportunity to help out and be more involved with the association. I am the finance manager this year and I have enjoyed it and I feel being on the board will give me a chance to volunteer more and meet more people. |
| Other information you should know about me as it relates to my perspective position on the FYHA board | I have served on other boards before: Miss Inver Grove Heights Royalty Board- started the board with a group of community members and served in many roles during my tenure on the board and my last position was President. |
