Subject: New Online National C Licence Course Announced

Ontario Soccer, in consultation with Canada Soccer and the Government of Ontario, continues to monitor the most recent developments surrounding the Coronavirus (COVID-19) pandemic, the resulting public health crisis and Ontario Soccer's Return to Play Plan.

Ontario Soccer is pleased to announce a new National C Licence course, to be delivered online, with an in-person date taking place at the Ontario Soccer Centre, once "Return to Play" is confirmed.

The National C Licence is the entry-level course for the Licensing Stream pathway and prepares the coach to progress to the Development Stream (Children), Development Stream (Youth) or Performance Stream (Senior). The C Licence involves the facilitation of learning opportunities for the coach to develop an understanding of the coaching process.

The C Licence content involves theoretical and practical components focusing on holistic, effective coaching. The workshop modules covers content including:

- Vision, Mission, Values;
- Understanding the Person, the Practice & the Play;
- Mental Health and wellbeing in coaching;
- Safe Sport;
- The Coaching Process;
- Designing and delivering a training session;
- Introduction to the Principles of Play;
- Developing the individual player;
- Introduction to presentation skills;
- Introduction to the use of technology in coaching.

Coaches who obtain a C Licence Certification will be able to be a Head Coach in some Regional Leagues, the OASL, and an Assistant Coach in the OPDL.
