**Support Our National Journey – OTE 15U
GoFundMe Launch**

Hello OTE Community,

We've officially kicked off one of the most exciting chapters in our program. Welcome to our summer season launch week!

Over The Edge now offers a full program all the way through high school! This is an exciting time for OTE and we know our organization is the best in Chicago!

Our High School girls are doing something special. They're not just playing, they're competing Nationally at some of the top events in the country, like Prep Hoops and Run 4 The Roses. These opportunities come with added costs, and that's where we're asking for your support.

We've launched a **GoFundMe** to help cover:

- National tournament entry fees
- Coach travel & hotels
- Team meals and bonding activities
- Program needs that ensure every athlete can fully participate

Every donation, big or small, helps us stay focused on what matters: development, exposure, and the journey we share as a team. If you can, please donate and share the link with family, friends, and supporters of youth sports.

High School Boys Take the National Stage!

Next up! our High School boys are ready to make their mark!

We kick off practices next week, Tuesdays and Thursdays from 5:00-6:30 PM, as our teams gear up to compete at the national level this summer. Following in the footsteps of our championship girls program, the boys are stepping into elite competition with a whole lot to prove.

This is a true reflection of the dedication and drive from our high school athletes and coaches. We can't wait to see the fire and intensity they bring to the court throughout July and August.

Let's go, OTE!

Hosted by Over the Edge (OTE)

Over the Edge has been a respected name in youth travel basketball for over 20 years. Our philosophy is rooted in "On Fundamentals", teaching boys and girls how to play the

game the right way.

Open Registration

Our Summer Skills Camps are open to boys and girls entering 2nd–8th grade (new and returning OTE players welcome).

Each Camp Will Focus On:

- Ball handling
- Form shooting and proper footwork
- Passing and cutting
- Defensive principles and rebounding
- 5-out offensive concepts
- Man-to-man defensive strategies
- Team scrimmaging

These are the foundational skills that set OTE apart from other travel programs. The camp also serves as an excellent preparation for our Fall/Winter tryouts in September.

Important Details

- Grade level is based on the upcoming school year
- (e.g., if your child just completed 3rd grade, register them as a 4th grader)
- All participants receive an OTE Summer Camp Shirt

Grade Groups: We have changed the format. We will now have all campers at the same time from 5:30-7:30. What does this mean for your child? The same great coaching, but you get it for two hours a day, not just the one. Double the hours, for the same cost. Win win for your child.
