Minutes

January meeting minutes approved

Budget Update

Pete provided update

- Income/New Collections Reported: Player Fees trickling in; Chuck-a-Puck (down in January due to proceeds going to Vitek and Carlson families); Warm-Up Jersey Sponsorships; and Unsolicited Website Donations
- State High School hockey tickets is only income item remaining through March, plus Bingo
- Outstanding collections include T-Rex, Chipotle, Rudy's, but it was noted that corporate give back donations typically have a longer turnaround time (three months or more?)
- Expenses: Main remaining expenses include banquet and memory books
- Approved purchase of skate sharpener via email, prior to February BLC meeting
- Other miscellaneous expenses include team building dinners, end-of-year gifts for coaches, managers
- January ending bank balance of \$71,031.70

Golf Outing

Becky Pasch volunteered to head up the golf outing committee

- Becky will reach out to a few people to fill in the committee
- Will reach out to Valleywood to discuss dates and fees
- Exploring possibility of having students golf early in the day at a reduced price from the adult ticket
- Don't title golf tourney as "Alumni Golf Outing" as it may deter current players and families
- Sherri and Kerry to send Becky email distribution lists, including current and former players and families
- Payment online was discussed as it slows things down when many are paying when arriving to play in the tournament
- Steve and Pete to provide Becky with revenue breakdowns from golf outing
- Last year profits were up 30% from previous year

Coaches Update

- No morning skate February 15th due to games at 1:00 and 3:00 p.m.
- Dinner/team building February 14th in lieu of Saturday morning breakfast (Debbie Kenefick to contact families on schedule for Saturday to replace with needed items for Friday).
- Additional team dinners planned throughout end of season and post-season play
- RHS Student Center reserved for Monday, February 24th. However, pasta feed/speaker TBD at a later date

Carlson Update

Sherri provided update

- Fundraiser was a huge success! Raised over \$35,000 for the Carlson family.
- Noted during discussions that the BLC needs to continue efforts to help the Carlson family in the future

Website / Calendar

Kerry provided update

- Website and calendar are functioning better; however, several people have reported having wrong times on their phones
- Calendar on website was noted to be accurate. Need to direct people to the website in the future (ie - even if we send a weekly update, ask families to please check the website once per week to make sure nothing has changed, just in case a change isn't reflected on individual phones).

Banquet

Ceci provided update

- Need one more black easel for senior posters
- Discussed metal pictures for seniors, decor at banquet, manager & coaches gifts
- Memory book to be one book for both JV and Varsity this year instead of separate books

Other

Organization of Blue Line Club

- Need to create a high level outline, or "year at a glance" to ensure specific events or programs do not get overlooked
- Can add in details after outline
- Should be completed before next season goes into full swing
