- Batons: Make sure that an adult is with the runners and carries the clean baton (s) each of the teams must use. No runner should have the baton until his/her race is called to the track. # 4 runner MUST turn the baton back to the coach/parent in charge who will take it to be sanitized.

 - o I do not plan on bringing the team tent as I think it will be counterproductive to distancing
- NO Snack Bar – Please make sure your athlete brings something to eat for lunch and/or snacks
- Volunteers – the meet doesn't happen without parent help. If you are able to help, please let me know so that I can submit your name as this will be checked.

Meet End Time: Please be aware that meets can typically run 4 to 5 hours. With a large number of teams, covid safety requirements and restrictions and based on the pace of the meet from last weekend, it is reasonable that the meet will run much longer. We will try our best to plan accordingly.
