Albert Lea Figure Skating Membership Fee: \$100.00 for the first skater, \$50.00 for the second skater, and \$25.00 for additional skaters in the same household. Fundraisers throughout the year can be applied directly to your skater's bill .

ICE ASSIGNMENTS: All ice assignments are made by the scheduling coordinator. The ALFSC Board reserves the right to re-assign skaters based on skill level/progression, class size or other safety concerns. All efforts are made to accommodate skater conflicts. Requests are best met if made before the registration deadline!

Policies Continued

BILLING: All invoicing will be on the 4th day of each month, starting in October and all bills will be due the last day of each month to avoid any late fees. A late fee of \$30.00 will be assessed to the next invoice and your skater will not be able to be on the ice following 2 unpaid months. Once payment is received they will be allowed back on the ice. All invoicing will come through an email. Please make sure your email is correct when you register and you are using an email you check regularly when registering your skater. This email will tell you the amount you owe, when it is due and you will have the option to pay online (for a small fee), by check or by cash to our ALFSC payment box inside the arena. If you need a detailed invoice, one will be provided via email but you need to ask for it. Any questions or concerns about your bill please direct inquiries to Natalie Loock, ALFSC treasurer. Credits from any fundraisers will be credited to a skater's invoice as soon as information is given to us from fundraising company. **Skaters with any current outstanding balances will not be allowed to start lessons until these are paid.

Policies Continued

LESSON CHANGES: Changes to the schedule, including adding a lesson, may be made at any time during the skating season.. These changes are subject to coaching and ice availability.. If a skater wishes to drop lessons, they must do so by the 15th of the month before they want to stop or the skater will be billed for that month. Example: You want to quit skating the month of November, you must notify your coach AND Natalie Loock by October 15 or you will be billed for the month of November. Special circumstances for extended illness and/or injury may be granted at the Board's discretion.

***Due to the short duration of Spring Session, skaters will be responsible for the entire session..

Lessons

Tiny Tots receive a half-hour, Coach-led lesson for our youngest beginning skaters, typically 3-5 year-olds. (\$15)

Group Lessons are available for basic skills skaters: Each skater has 30 minutes of Coach led instruction and 15 minutes of practice ice. (\$15)

Semi Private Lessons are available for basic skills and freestyle skaters. NOTE: it is important in semi-private lessons that skaters be of similar skill level. Skaters receive a 30 minute lesson and 15 minutes of practice ice. (\$20)

Private Lessons are available for basic skills and freestyle skaters. Skaters receive a 15 minute lesson and 30 minutes of practice ice. (\$25)

**We are doing our best to keep prices affordable. ALFSC is charged \$190/hour for our time on the ice.

Show/Tryouts

Tryouts are held for freestyle numbers (solos, features, duets, trios and quartets and possibly Jr. & Sr. lines). Skaters will be allowed to try out for a freestyle number in the show season if they have passed Learn to Skate Pre-freestyle prior to July 1st of the current skating year..

Basic Skills Skaters will be assigned to groups by their coaches, and will skate 2 numbers in the show. Any skater who is not planning on participating in the annual show must give written notice to the club's president prior to November 1st. Once costumes have been ordered, the skater/family is responsible to pay for the costume whether or not they are in the show.

Costumes are chosen by the board and coaches. Once a decision is made there will be no changes allowed.
