

2023 Anoka Hockey Tryout Process

Attachment 1

Judges Tryout Process Change

New this season:

Player groups WILL CHANGE after Saturday's tryout scrimmages.

Keep a close eye on Tryout Engine Saturday Night/Sunday Morning for updated Groups for the remaining scrimmage sessions.

The change in groups will be based upon a "snake draft" based on previous sessions cumulative scores. It is the belief of the Board that this change will further ensure (via the snake draft) that groups are of equitably balanced skill levels allowing for greater competition throughout the remaining scrimmages. Our goal is to ensure highly competitive tryout sessions and at all costs avoid a scenario where judges may see 2nd year 5 top-level players on the ice with 3 B2/C players during any given time.
