GRALA Donation Proposal – Proposal Approved!

Situation: GRALA JV/V Booster is operating currently at a deficit.

Proposed solution:

In efforts to maintain a healthy budget and continue our growth as Boys and Girls GRG JV/V. We'd like to propose a plan to cover ALL parent dibs for the 2023 Shootout. This includes 120 individual DIBS assignments. Boys taking on Saturdays Dibs and Boys taking on Girls Sunday. In return we would receive a \$6,000 donation.

Steps:

1. Provide Mark & Zach a list of duty's to be performed. (We will divide up duty's between our two squads)
2. JV/V will work with GRALA shootout coordinator to ensure needs are met throughout weekend.
