## 2024 Team Attitude Panos

Show us your unique attitude in a custom designed Team Attitude Panoramic Photo! Each member is individually photographed, digitally cut out, and place into the design. Final product is 10"x30" and printed on Premium High-Gloss Paper.

One team representative will talk to all participants and parents about ordering and will work with our pano department to edit the panoramic and distribute final prints. We recommend having a minimum of three orders for a pano to take advantage of included tax and shipping on the order.

Completed order forms and payment must be submitted to Empire Photography on the day of competition. Payment for panos must be made separately from any other orders. All information needs to be filled in for your order to be placed. Missing information will delay the process. Title color is based on costume/uniform.
