

North Shore Baseball Association is looking for Head Coaches who will be responsible for the 18U AAA and College Prep baseball programs for the 2022-2023 season.

The successful candidates will have competitive baseball coaching experience at the elite club level, the ability to teach baseball fundamentals, work closely with assistant coaching staff, and improve the skills of baseball players.

We are looking for an individual with the following attributes:

- head coaching experience at an elite level
- NCCP Provincially certified or able to complete before June 2023 (mandatory)
- technically competent, excellent knowledge and teaching skills in analysis and techniques of baseball
- safety oriented, ensuring the playing environment is safe for all players
- highly motivated self-starter; can work independently
- develop program conditioning and practice plans
- be present at all practices to ensure the plans are being followed
- patient, encouraging, and positive attitude
- help with day-to-day logistics, game statistical support, and guiding assistant coaches
- skill in leadership and facilitation, including problem solving and conflict resolution
- excellent organizational skills for effectively managing multiple tasks
- ability to communicate well, verbally and in writing, with the players, parents, and NSBA Directors
- serve as a positive role model to players
- prepare requisitions for equipment purchases
- handle public relations, including communication with college/university baseball coaching staff
- First Aid and CPR Certification (beneficial)

Start Date: Fall 2022

- Work Location: North Vancouver, BC
- Commitment to being able to work evenings and weekends
- Travel 4-6 times during the season throughout BC and various US locations
- Salary negotiable based on experience and commitment level
- Criminal Record check will be required
