High Tide Volleyball Club, LLC is preparing for the 2023/24 season. We are currently seeking sponsorships to offset some of the costs associated with providing a successful and enjoyable season for our players, and we would greatly appreciate your continued support. We really appreciated your support last year. High Tide Volleyball focuses on the personal and athletic development of our student-athletes, and creates a safe, positive, and effective learning environment in which student-athletes strive to achieve individual excellence within a team dynamic.

To make our services more accessible to the young women of the community, we are seeking sponsorships from local businesses and corporations. The fees to participate in the 6-7 month season total \$2,500 and more and are used to cover the cost of practice facilities, uniforms, equipment, tournament registration fees, and travel expenses. We travel throughout the state of Florida (and sometimes out of state) playing in tournaments from December through April.

In exchange for your generosity, we have attached a list of the different level of sponsorships available for your organization. At the very least, all sponsors will be found on our website [www.hightidevbc.com](http://www.hightidevbc.com). Consequently, not only will your sponsorship enhance the game of volleyball for our young ladies, but you will receive valuable advertising for your business.

Thank you very much for considering this sponsorship opportunity. All checks should be made payable to High Tide Volleyball Club. Should you have any questions about sponsorship, or our team in general, please do not hesitate to contact High Tide Director, Krissy Schmidt at 772.349.8574.

Thank you,  
High Tide Volleyball Club
