Stampede Card Participant

On behalf of the KMHS Football and Coach Caleb Carmean, I would like to offer you an opportunity to participate in the KMHS Football Stampede Card Program. It's one of our programs largest fundraisers and a great way to hopefully increase customer loyalty and provide unique value for those who purchase the card. We will begin selling cards in April 1, 2024. The card holder can use the card as many times as desired for an entire year, ending June 2025. Card participants do not punch the card for one-time use. There is no cost to you to participate.
