

# Next Volleyball Girls Program

## Acceptance Procedure

### and Commitment Instructions

Congratulations! You've been selected to represent Next this season! Here is a short guide to help you with the whirlwind that comes next!

#### How to Accept

Contact: All Teams Matt Martin 614-378-2585 matt@nextvolleyball.com\*  
Tim Kafka 314-799-4267 tim@nextvolleyball.com\*

\*Please add us to your contacts so our emails don't go to your junk! It happens a lot!

We expect to be pretty busy so please text or call both of us so we can answer any questions that you might have and we're more likely to get you message quickly.

Please include in your text: **\*\*\*Athlete first and last name\*\*\***  
**\*\*\*Athlete tryout number if given one\*\*\***  
**\*\*\*Your family decision to accept or decline\*\*\***

For National Level Teams:

You have until this **Tuesday, October 21st at 6:00 PM** to **accept** or decline this offer (10-12's) and **Tuesday, October 28<sup>th</sup> at 6:00 PM** for 13's teams.

While Ohio Valley Region policy gives you the right to wait until this deadline, we encourage you to give us your answer as soon as possible after making your decision. Alternates are all nervously awaiting a phone call from their potential coach and we hope to give them an answer as soon as possible so that they can find a place to play. If you do not accept by the Wednesday deadline, your position with the team may be offered to an alternate.

Please go online to [www.nextvolleyballclub.com/aftertryouts](http://www.nextvolleyballclub.com/aftertryouts) for the next steps and all of the information that you'll need. You'll be receiving lots of emails about registration. If we don't have your best email, preferably the one that you used to register with the Ohio Valley Region, please let us know to be sure that you're getting all of the important information.

Please expect to receive a welcome email with a checklist. You'll need to be looking for emails about:

- A 'contract' officially accepting your position with the club.
- Choosing a payment plan. We'll send a bill through Square with an option to pay by credit card or ACH directly from a checking account.
- Registering with the Ohio Valley Region for a full season membership if you haven't yet. Please double check the email that you've used as this is the one we have to use in the next step.
- Club/Team Assignment via SportsEngine to accept a team roster assignment within the club so we can add you to your team roster and be eligible to compete in tournaments.
- Uniform sizing night! You'll try on jerseys and pick out what will work and pick a jersey number.
  - You'll then get an email from All Volleyball, our uniform partner about ordering everything online so that it can be delivered directly to you.

We are so excited to welcome you to our club for our inaugural season! We are truly thankful for each and every family that puts their trust in us to offer them a fun and competitive learning experience.

If there is anything that we should know concerning scheduling and availability, please let us know as soon as possible (other sports played with a general idea of their schedule, specific dates that you'll be unavailable for unmissable events, etc. Please ask before scheduling any optional family vacations!). While we can't guarantee that we can accommodate requests, we will certainly do our best and provide other opportunities when missing is unavoidable.
