WELCOME LETTER FROM THE HEAD COACH

On behalf of the Woodbury High School Baseball Coaches and Players, we would like to welcome you to the 50th Anniversary of Woodbury High School and Royals Baseball. With WHS opening in 1975 this season marks 50 years of Royals Baseball. We are a school and a program of rich history both on and off the field. Over those 50 years we have had many highly accomplished teams with conference and section championships to show for it. And in just the past 10 years we have had some very distinguished alumni with over 50 players going on to play collegiately, and four (3 players and 1 coach) who have gone onto careers in Professional Baseball. Our teams have also been awarded the team honor of Academic All State 8 of the past 9 seasons. Our 2025 players and coaches are well aware of our history and our standard of excellence both on and off the field and are committed to bringing their best, in the classroom, the community, and on the field this season. Our 2025 team has a deep group of talented players that are ready to compete for their opportunities and place their stamp on our program's strong history of success.

With 11 straight winning seasons our players and program have so much to be proud of. It is with that pride that our players will strive every day to be the best that they can be, on every pitch, every play, in every practice, and every day on and off the field. We hope our core values of family, positive energy, and grit; along with our preparation and determination will help us compete to the best of our abilities!

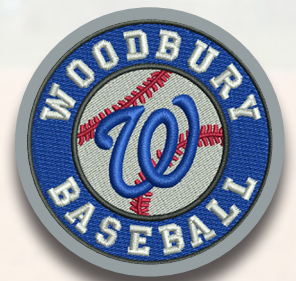

We are very excited for some fun baseball in the Suburban East Conference; the best conference in the state of Minnesota! The season will be a grind, but that is what makes it fun. We intend to bring a ton of energy to make it fun for all involved, so come out and support the fun! To those who have supported us in the past and to those who are supporting us now, to our sponsors, our community, our administration, our friends and family, we say THANK YOU! We would not be here if it weren't for you.

The staff and players are very excited to write another chapter of Royals Baseball and we know that all those that read this will play a part in another great season.

Win the Next Pitch!

GO ROYALS!

After leaving Viterbo he spent 2 seasons as part of the Baseball staff at the University of Illinois at Chicago helping the Flames reach their first ever NCAA Tournament in the 2003 Stanford Regional. Rounding out McDermott's baseball experiences prior to Woodbury; he had spent 9 years as a lead instructor at the University of Minnesota

In the 2003-04 school year McDermott landed a Social Studies/Physical Education teaching job in Woodbury and began as an assistant coach for the Royals, helping lead the team to its first ever MSHSL State Tournament that year and advancing to the state finals before finishing runner up. In the 2008 season he became Co-Head Coach of the Royals and from 2009-Present has been the Head Coach of the Royals Baseball program. In 2016 the Royals reached their second ever state tournament and finished 3rd and in 2017 they reached their 3rd state tournament and finished 4th place. The Royals have advanced to the final 3 in section play 6 out of the last 9 seasons and in the 2022 season McDermott collected his 200th win as the Head Coach of the Royals. McDermott currently resides in Rosemount with his wife Kelly, and four children Ireland (17), Keagan (14), Kinley (12), and Kal (10).

JUSTIN FELDKAMP

ASSISTANT VARSITY COACH

Coach Feldkamp is a 2003 graduate of Woodbury High School and the Royals Baseball Program, playing under legendary head coach Wayne Dietz. Justin played his collegiate baseball at Augustana University where he graduated in 2007. He was the head coach of the Woodbury Legion baseball program from 2007-2011, and has coached within the Woodbury High School program since 2008. Feldkamp has served as the Varsity 3rd base coach and IF/OF defense coach since 2014. Coach Feldkamp's extensive knowledge, work ethic and energy are contagious and he has been a huge part of the Royals program growth and successes and a vital piece to our 2016 and 2017 State Tournament teams and our continued yearly successes. Justin is a Physical Education/DAPE teacher at

Cottage Grove Middle School; and lives in Denmark Township with his wife Abbey and 3 kids, Lucy (14), and Tate (12), and Margo (7).

Coach McDermott's Thoughts on Justin: *"Coach Feldkamp brings a tremendous amount of pride, dedication, and positive energy to the WHS Baseball Program. He does a great job working with our kids on both the physical pieces of the game, but more importantly on the mental side of the game."*

MEET THE COACHES

NICK BENTLEY

VARSITY PITCHING COACH

Nick is a 2014 graduate of Woodbury High School. Nick was a 2 year varsity letter winner and in over 50 innings pitched he boasts a lifetime ERA of 1.64 as a RHP for the Royals! After WHS he went on to play 2 seasons at Dakota County Technical College helping lead the Blue Knights to a Regional Championship in 2016. From DCTC, Nick was recruited by Grand View University (Des Moines, IA) where he played his final 2 years of collegiate baseball and received his bachelors degree in Human Services in 2019. Nick came back to WHS in 2022 and served as our JV assistant coach/pitching coach and will begin his first year as our Varsity Pitching Coach this year, taking over for long time Pitching Coach Ben Johnson. Nick currently lives with his wife in Woodbury and works

as a Behavioral specialist Para at Hilltop Elementary in Inver Grove Heights.

Coach McDermott's Thoughts on Nick: *"We are so lucky to have Nick back in a Woodbury uniform as our pitching coach. He brings a tremendous amount of pride in being a Royal along with a great example of work ethic and leadership for our players. On top of that he has a great understanding of what it takes to be a great pitcher both physically and mentally and has the ability to deliver that message to our players."*

BEN JOHNSON

SPECIAL ASSISTANT/ADVISOR

Coach Johnson joined the Woodbury Baseball staff as the Varsity Pitching coach in 2009, where he continues to serve today. Ben has been an integral part of the Woodbury pitching staff setting numerous program records and helping lead the Royals program to back to back state tournaments in 2016 and 2017. In 2017 Coach Johnson was honored with the Minnesota State High School Baseball Coaches Association (MSHSBCA) Rob Fornasiere Assistant Coach of the Year Award. Prior to Ben's coaching career he was a 1997 graduate of Galesville-Ettrick-Trempealeau High School in Wisconsin where he was a standout basketball and baseball player. He continued his education and baseball career as a left handed pitcher for Viterbo University from 1998-2001. During his 4

years at Viterbo, Ben helped lead the VHawks to two NAIA Regionals, including the Regional Finals in his final season. Upon graduation from Viterbo, and following 9/11 he enlisted in the United States Army, where he served as a Paratrooper in the 82nd Airborne Division serving 1 tour in Iraq. Coach Johnson has taught as a Social Studies teacher and coach at Simley High School since 2004. Ben is married to his wife Kristen and they reside in Rosemount, MN with their 2 children Kendall (14) and Brady (11).

Coach McDermott Thoughts: *I am so extremely lucky to have Ben back as a pitching coach/advisor in our program after a 1 year absence. Ben has been with me from the beginning at WHS. Ben is great with our pitching staff, but he also brings a ton of overall baseball knowledge and energy to our program in all areas.*

Coach McDermott's Thoughts on Ryan: *"Coach Knutson has been a great addition to our WHS staff. Ryan brings positive energy and does a great job of getting the best out of players, in turn making them better people and players in the process. Kids love playing for Coach Knutson and he does a great job working with our catchers and as our head JV coach and Varsity assistant."*

Coach Peters has been a youth leader for two decades, regularly completing continuing education courses to improve area youth programs.

Dave caught baseball fever in 2006 and has been coaching in Woodbury ever since. He has experience in the In-house, Traveling and Fall Ball programs. Coach Peters' philosophy to baseball is simple and effective, "do the little things right and the big things will take

care of themselves." In 2022 Dave joined our WHS Baseball coaching staff as our 9B coach.

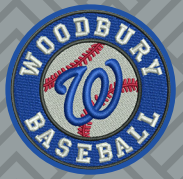

Coach McDermott's Thoughts on Dave: "We are very lucky to have Dave on board as our 9B coach. He has a great passion for the game of baseball, but most importantly he has a passion and an ability to impact kids to become better and more successful people in life."
