TEAM of the MONTH

Congratulations to R6-3 Mack Attack Pack for winning the 2021 MYAS Rec State Championship!

The team went 3-0 in the tournament with tough wins over teams from Wayzata, Oakdale and Brooklyn Park in the championship game. Unselfish play, intense defense and great coaching were the keys to their success. In a true display of team unity, the girls wanted the first-place trophy to belong to one of their teammates who could not participate this year due to a family illness. Great job girls on an unbelievable season!
