

10 Steps to Becoming a Delta Fastpitch Association Umpire

1. □ Register to be an umpire with [Delta Fastpitch Association](#).
2. □ Register to be an umpire with [Softball BC](#). When paying, select "my association will pay for my registration fee". Note - you must umpire at least 8 games to qualify for free registration.
If unsure about umpiring, wait until you do the clinic with Delta Fastpitch before you register with Softball BC. After the clinic, you can make a decision, and if this is for you, then register with Softball BC.
