## High Performance 2022 Region Coaches and Players

**North Country Region** - North Country Region's High Performance Program (HP) will add girls teams for the 2022. Last season, the Region resurrected HP and formed two boys teams to compete at the USA All Star Tournament in Orlando, Florida. The 2022 All Star Tournament will be the first of its kind with USA Volleyball. USA Volleyball will not have teams to compete in the tournament which allows the best-of-the-best from each Region to compete against the best-of-the-best from other Regions.

NCR has scheduled boys and girls high performance tryouts in Minnesota, North Dakota, and South Dakota. Players selected from the tryouts will be invited to attend a Selection Camp in July held at Northwestern University St Paul.
