Mallory will help with communication with coaches on LTS rotation

Nikki makes a motion that registration costs will stay the same 2025-2026; Ashley seconds; motion carries

The club will make sure that registration is open on August 1st, 2025.

Discussed 2 2-hour shifts for each family to have an adult for the morning ice when there isn't a coach on the ice. This would be mandatory for each advanced ice family and would be added to the handbook. Nikki makes the motion; Vanessa seconds; motion passes

Mallory discusses ice show changes, such as removing the competitor number, High school number should say high school lettering, and Advanced Seniors get one solo if they meet lettering requirements but do not have another solo. Additionally, a practice requirement should be added to the handbook. Volunteer shifts for lettering versus hours. Shifts need to be required for skaters to letter.

This discussion will continue next month.

Volunteer hours need to be more specifically tracked, and more guidance from the high school coach.

The board will not be doing summer ice.
