

Greater Libertyville Soccer Association Club takes ongoing threat of Covid-19 very seriously. We plan to go above and beyond minimum safety protocols during our programming at our facility to create a safe and fun playing environment for all attending. Please view our Safety protocols below for detailed information regarding safety measures taken for Winter 2022 training and indoor games.

All people attending a facility during a GLSA event are required to wear a mask that always covers the mouth and nose while on site. This includes players and coaching staff while on the bench, before, during and after trainings and games. If a medical condition prevents you from wearing a mask, you must be able to provide the club with a note from your doctor on the facilities letterhead. No information is necessary regarding what the medical condition is, just the persons full name and that the medical condition exists.

DAILY REQUIRED HEALTH SCREENINGS PRIOR TO ATTENDING:

Coaches, Club staff and Parents - We rely on you to help assess your player's health prior to arrival. Please ask these questions of yourself, and them, before you make the decision to come to the facility. If you answer yes to one or more of the questions below, you should not attend the club activity.

Today or in the past 24 hours have you had any of the following symptoms:

- Fever (temperature greater than 100.4 for children and greater than 100 for adults)
 - Cough
 - Sore throat
 - Shortness of breath or trouble breathing
 - Loss of smell and/or loss of taste
 - Diarrhea or vomiting
- Do you have a household member or close contact who has been diagnosed with COVID-19 in the past 2 weeks?

SAFETY GUIDELINES AND PROCEDURES FOR COVID-19

- All people attending participating in GLSA Programming are required to wear a mask that covers your mouth and nose at all times. This includes players and coaching staff while on the bench, before, during and after games and during training sessions.
- All event volunteers and staff will be wearing a mask at all times.
- Spectators must stay a minimum of 30 feet back from the field as well as 6 feet away from each other.
- Coaches and players are to exercise social distancing while in the bench area.
- Coaches are to minimize discussions with team within close proximity.
- No post-game handshakes between teams and coaches.
- No sharing of water bottles.
- No post game snacks.
