AD – Pilot Program for locker room attendance. Some parents are not participating, maybe in the future we need to think about reimbursing the fees to encourage participation. With the new ref system it is hard to know what level referees we have coming. Last year we had a higher bonus for level one refs to encourage new people to become refs. Since it is not possible to tell who is a level one can we just do equal bonus across the board? Rachel Motions to approve equal pay bonus, 2nd by Alex. All in favor, motion approved.

Rules and Regs – Rule Change, We need more than 6 coaches for Mites. The rules state that a max of 6 coaches can receive DIBS for the Mite level. Do we look into giving DIBS for student coaches? We could evaluate how they participated at the end of the season to see if eligible. Language also needs to be added to the handbook on the process to become a student coach. Language will also need to be added to clear confusion on how teams are split.

Director of Hockey – ALL parents and coaches need to be kind and courteous to referees.

Facilities – No Report

IP Director – Currently there are 65 kids in the 8U program. There are 19 teams coming to our home tournament. The High School families are doing great signing up for shifts. All the teams started the season great but are struggling when they play teams from bigger associations.

WAHA – No Report

Fundraising – Raffle tickets need to be returned by February 1st!

Bantam – 1-10 Hosted an A team tournament, Thunder took 4th place, Marquette won beating Shaw in the final game. The tournament sold \$1,963 in concessions, \$815 in raffle baskets. The food table for

players was in the locker room hallway. It was a concern that there would be a mess but it was perfect there instead of in the rink and everything was kept very clean. Coaches are working on getting the players to play together and team cohesion is getting better. Thank you to the PeeWee families for helping with our tournament.

Pee Wee A – No Report

Pee Wee B – 1-1 Our first game was a win. Games this coming weekend. We potentially have lost a player, if we lose anymore we may have issues with player numbers. We helped our with the Bantam tournament. Players and parents were concerned about how locker rooms were left after the tournament. Sam is doing good as a goalie and Carter is learning quickly also.

Squirt A- 6-1-1 Short rostered for every game so far. Hopefully now that we are further into the season we will have a full roster more often.

Squirt B – 8 games so far. They have played amazing against B and C levels teams. Played one A team and struggled.

Mites – 64 kids with more new players coming. We played Iron Mountain and Antigo and the kids are having fun. Home tournament is coming up and we have a lot of fun planned for it.
