

Varsity/JV Summer Camp Information:

Varsity Camp will be starting Friday June 2nd. The Camp will be comprised of practices, skills training sessions and competitions. The Summer will officially kick off the weekend of June 2,3,4 with a Tournament at SDSU. Additionally the varsity will compete again at SDSU the weekend of June 9-11 and at UCSD's tournament June 23-25th. Practices and skills development sessions will be held during the weekdays and we will send you the calendar of those dates and times as soon as it is ready. Players are also expected to be coaches for LCC Youth Camp the week of June 19-23 from 9AM to 12PM (this is one of our biggest fundraisers for next season) While formal practices will conclude the week of June 30 we will continue to offer skills training, and access to shooting opportunities in the gym through mid July. Each Summer there is a CIF 'Dead' period with zero contact between coaches and players and no access to the gym. This Summer that period is July 16th-29th. It coincides with the resurfacing of the gym floor. Additionally there won't be any official LCC related basketball until school resumes in August.
