### Decision

- Camp fees—Keeping as we have done in previous years; parents will register through Community Ed. CYFA will pay for cost of players. Angela looking into corporate sponsors to help offset some of the costs.
- Finalize all dates - weigh-in 5/14 (middle school gym) & 6/17 clinic 6/17 & 6/20 camp (middle school field) —(7/22, 7/23, 7/24 grades 6-8, 6:30-8pm),( 7/29, 7/30, 7/31 grades 2-5, 2 sessions 5:30-6:30 and 6:45-7:45) registration open 4/15
- Season start and end timing—
  - Season Start: August 5th
  - Season End Oct 12/13 for grades 2-6 & end of October for 7 & 8th grade
  - Registration will open 4/15
- 7&8 grade league - move to new league (Eric)--Jess to call other surrounding associations to see if they are going to be moving to the new league. There is concern that kids will be playing the same kids year after year, which will make playing not very fun if they are always up against a really good team—year after year.
  - Will move if we can get extra 5 communities to commit so there is a variety of different teams that are played against throughout the years.
- Fees - flag, 2nd, 3-8
  - 2nd grade \$99.00
  - Grades 3-8 \$225.00
- Late registration fees (Y/N)--there was a vote and we will not be having any late fees attached to anything this year.
  - If there is a player who misses the deadline, they will not have their name added to the back of their jersey. They are welcome to take it to another place, but CYFA will not be paying for the name to be printed on the back.
