

2025 FALL BALL Rules

Friends of Harrison County Youth will be using the current edition of the Babe Ruth Baseball/Softball Rules and Regulations Book as its official rule book for this season. Listed below are exceptions or variations from that book that the league Board of Directors has voted to include for this playing season. Friends of Harrison County Youth Board of Directors reserves the right, by majority vote, to clarify or change any rule, specified or not, in its collective judgment, if such clarification or change results in improved league play. In no case will a rule change be made retroactive to an officially played and recorded game.

WEE BALL (co-ed)

Wee ball is a co-ed league for three and four year olds. Game rules are structured solely to enhance the fun and safety of the game for players.

1. Game time is 1 hour or 2 innings, whichever is first. NO score is kept.
2. Teams will bat the same number of players each inning, which is determined by the team with the most players. For example, one team has 7 players and one team has 8. The team with 7 players will bat their lineup plus one extra player each inning, rotating the extra batting spot by starting from the top of the lineup on down.
3. An inning will end after all of the players have had a chance to hit.
4. No more than 5 infielders may play in the infield at one time. The outfielders should be at least 10 feet beyond the base path.
5. Each player must play at least 1 inning in the infield each game.
6. Any player showing up after the start of a game must be placed at the bottom of the batting order.
7. A Safe-T ball (baseball) will be used in this league for both boy and girl players.
8. There will be no pitching in this league. ALL batters will use a tee to hit off of. The coach will place the ball on the tee and the players will have 5 attempts to hit the ball. Walks and strikeouts are NOT allowed in this league and there is NO foul ball limit. If the batter does not hit the ball in 5 attempts, the coach will assist the player with his/her swing.
9. Players will run the bases in order. Players will be allowed to remain on the base and continue around the diamond with each hit until they cross home plate.
10. Two coaches will be allowed on the field while their team is on defense. Coaches on the field must position themselves so as to not interfere with the offense's ability to make a play.
11. Three coaches will be allowed on the field while their team is on offense. Teams will be allowed a first base and third base coach as well as a coach behind the plate to set the ball on the tee for each batter.
12. Uniforms and Protective Gear:

2025 FALL BALL Rules

- a. Team shirts will be provided and are required to play.
- b. Batting helmets must be worn when batting, on deck and when running bases.
- c. No jewelry may be worn.

13. The most important rules for Wee-Ball are for players to learn about the sport, learn sportsmanship, be safe and HAVE FUN!

TEE BALL (BOYS AND GIRLS LEAGUES)

1. Game time limit is 1 hour (reg. season) or 3 innings, whichever happens first. No new inning shall start after the time limit. Time limit is to take effect from the scheduled start of the game, whether or not players are on the field and ready to play.
3. Teams will bat the same number of players each inning, which is determined by the team with the most players. The team with the lesser amount of players will rotate through their complete batting order each inning adding batters as needed so that they are batting the same amount of players as the team with the greater number of players. The same player shall not bat twice more than one inning. Lineups should be rotated each game.
4. Games will not exceed 3 innings in length. An inning will end after all of the players on each team have had the chance to hit, even if there are less than three outs. Bases will be cleared after three outs.
5. All Tee League players will be allowed to play defense in the field at the same time, even if the number of players exceeds nine. The same player may not play the same position more than one inning per game. Each player must play at least 1 inning in the infield.
6. No more than 5 infielders may play in the infield at one time. The outfielders must be at least 10 feet behind the base path.
7. Any player showing up after the start of a game must be placed at the bottom of the batting order.
8. In the Tee League, the coaches will pitch to their team. The coaches will pitch to their players from a distance of 20 feet. For boys, coaches will pitch overhand. For girls, coaches will pitch underhand. A Safe-T ball is used in this league.
9. The coach will throw a batter three pitches. If the player does not hit the ball by the third pitch, a tee will be used to allow the player to hit off of. Walks and strikeouts are not allowed in this league and there is no foul ball limit.
10. After making a play, the defensive player will throw the ball back to the coach/pitcher to end the play. Players halfway to the next base at that time will be awarded that base.

2025 FALL BALL Rules

11. A 3 foot arc will be placed in front of home plate. The ball must pass beyond that line to allow the batter or a runner to advance. If the ball does not reach the line a 'foul ball' will be called.

12. Two coaches will be allowed on the field while their team is on defense. Coaches on the field must position themselves so as to not interfere with the defense's ability to make a play.

13. Three coaches will be allowed on the field while their team is on offense. Teams will be allowed a first and third base coach as well as a coach to pitch to their team.

14. Uniforms and Protective Gear:

a. Game shirts will be provided and are required to play.

b. Batting helmets must be worn when batting, on deck and while running the bases.

c. No jewelry may be worn.

15. No score will be used for Tee League games.

16. Coaches will 'umpire' their own games during regular season play.

17. If the league declares a rainout, a notification will be on the website and text messages will be sent out to all that are signed up to receive text messages through the website (www.fhcysports.org).

Coaches should still ensure their team receives notifications of changes.

18. The most important rule for Tee Ball players is to learn about the sport, learn sportsmanship, be safe and have fun!

ROOKIE GIRLS

1. **No new inning may start after one hour or 6 completed innings.** Games called because of the time limit will be considered a regulation game regardless of the number of innings played. Time limit is to take effect from the scheduled start of the game whether or not players are on the field ready to play.

2. Pre-Game:

a. NO batting practice shall be allowed on the field prior to the start of the game, or where it may interfere with the opposing team.

b. Each team will be allowed five minutes each for on-field pre-game warm ups. Visitors shall begin their on-field pre-game warm ups ten minutes before scheduled game time. The home team shall begin their on-field pre-game warm ups five minutes before scheduled game time. There will be NO grace period past the scheduled start time of a game.

2025 FALL BALL Rules

3. An inning ends if three outs are made or every player has batted once that inning. **This is true for ALL innings in every game.**
4. A minimum of six defensive players is required to start and finish a game. The defensive pitcher must start with one foot in the circle at the time of the pitch. If a team has 8, or fewer, players, they may play without fielding a catcher if they choose.
5. Any player showing up after the start of a game (first pitch) must be placed at the bottom of the batting order.
6. A maximum of ten players are allowed on the field to play defense. If more than ten players are available during a game, the coach must rotate the extra player(s) each inning so that a new player sits on the bench each inning. No player is permitted to sit on the bench more than once during a game (except for injury).
7. All players must bat whether or not they played in the field the prior inning. **A pitching coach (designee from batting team) will pitch from a 35' mark from home plate. The pitcher must remain BEHIND the 35' mark while on the field except when moving to avoid a hit ball.** The pitcher must throw an underhanded pitch. Each batter will receive up to 5 pitches, but will be called out after three unsuccessful swings, or a swing and a miss on a two-strike count. Walks are not allowed and there is no foul ball limit. If the batter does not hit the 5th pitch, they will be called out.
8. The coach pitcher must make an attempt to move out of the way of a hit ball. However, if the coach pitcher is hit by the ball after a successful swing, the batter will be granted first base and runners will advance **only if forced**.
9. A 3 foot arc will be placed in front of home plate. A ball must pass beyond this line to allow the batter or a runner to advance. If a ball does not reach or pass this line a 'foul ball' will be called (this does count as a swing against the batter).
10. A hash mark will be placed approximately 2/3 of the way past each base. Base runners that have broken the plane of a hash mark when time is called will be allowed to continue to the next base. All other runners must return to their previous base.
11. Time is called when the ball is thrown to the defensive pitcher and breaks the plane of the circle. Throw must be a catchable ball (umpire's discretion).
12. Runners will be allowed only one base on an overthrow IF runner is attempting to advance.
13. Two coaches will be allowed in the outfield while their team is on defense. Three coaches will be allowed on the field while their team is on offense: first base coach, third base coach and designated pitching coach. A 4th coach is recommended to be in the dugout while the team is batting.
14. A runner is out if she:
 - a. Does not attempt to avoid a fielder in the immediate act of making play on her.
 - b. Dives over a fielder.
 - c. Initiates malicious contact.
15. Uniforms and Protective Gear:

2025 FALL BALL Rules

- a. Game shirts will be provided and are required to play.
- b. Batting helmets with masks must be worn when batting, on deck and when running the bases. Helmets are not to be removed until the player is back in the dugout.
- c. A runner will be called out if she intentionally knocks off her helmet while running.
- d. All catchers must wear a catcher's mask, chest protector, throat guard and shin guards. Face masks are recommended for all players but not mandatory. All players should have a facemask when traveling to other leagues.
- e. No jewelry may be worn.
