

2022-2023 SKATE Qualifiers:

CONGRATULATIONS! You have qualified to attend the S.K.A.T.E. Celebration!! Great Job working hard in school. You deserve to be rewarded!

The S.K.A.T.E. celebration will be held **Sunday, April 23rd, 2023.**
The event will take place at the **New Hope Ice Arena 9am to 12pm.**

You are free to come for the whole time, but please know that you may only be on the ice during your designated time:

Squirts will be on the ice from 9-9:50

Peewees & U12/U10's will be on the ice from 10-10:50

Bantams will be on the ice from 11-11:50

Please check in at least 15 minutes prior to your designated ice time. You must be on the list of [qualifiers](#) to receive entry & a packet.

Each participant will receive a ticket for one drink and one designated food item. The concession stand will also be available to purchase other items. Each qualifier also will receive a personal gift. Additionally, in your packet will be a raffle ticket to drop in as you enter your ice time. When your group is off the ice, we'll draw for prizes (for each group separately) but you must be present at the drawing, to win these prizes!

Don't miss it, there is no make-up time. If you can't make it, your certificate packet will be given to the team manager to give to the player at a later time.

There will be at least one coach to help supervise on the ice. They've got some fun things planned. **Remember that a helmet is required when on the ice, since this is an association event!!** No other equipment please.

Each team has a chaperone to help manage getting on/off the ice at the right time. Please have fun, but remember to be at the arena responsibly (no running, clean up after yourselves, and be kind). See you there!
