

What is the Montreal Cup?

We are pleased to welcome you to our 2nd edition of the Junior Cup in Montreal. Come join us for a two-day tournament. This unique women's tournament in Quebec will offer you the opportunity to discover a new type of event. It is structured like a mini championship where you can experience the rules and regulations inspired by our southern neighbors.

On the second day of the tournament all teams will have the chance to compete for a medal.

The organization of the Montreal Cup is an initiative set forth by the Voley LLL, the Lynx, the Celtiques and the Chimères, the four major clubs in the Montreal metropolitan area. The primary goal of this initiative is to promote cooperation between the clubs as well as allow the athletes a chance to develop their skills in volleyball.

Register quickly places are limited.
We look forward to welcoming you!
