Event Registration

Online registrations have roster upload option using spreadsheets. This allows teams/coaches to submit a registration for one or more wrestlers in one entry. Coaches/parents complete a roster spreadsheet, upload the spreadsheet as part of the SportsEngine registration, and then pay for the entire roster all in one transaction!

Donations

As a 501(c)(3) tax-exempt organization, NHWAY is able to take donations that entitle the donor to take a tax deduction. A donation of any amount is helpful and will be used to keep the cost of participation low.

To make an offline donation by cash or check and to receive a receipt for your donation, please mail donations to:
