Why do you wish to become a SYHA Board Member? (This is your time to truly showcase who you are, what you will do as a Board Member with SYHA, aspirations/goals/desires, and how you will help make SYHA an even better Association.)

I have an interest in better understanding all aspects of the association as well as lending both a hand and a fresh perspective when appropriate. I think SYHA is headed in a great direction and I'm eager to make a meaningful contribution to the future of our association, if elected. There is always work to be done to improve our organization and I am ready and willing to assist however I can.

Please describe any previous involvement in SYHA (volunteer, manager, coach, leadership, concessions, Try Hockey for Free, HDM, or other association events):

I have volunteered in the concession stand and have worked the scoresheet for JG games as well as various roles during Hockey Day Minnesota.

Please describe any other involvement in leadership roles outside the SYHA (community boards, workplace leadership committees, volunteer leadership roles, etc)

Personally, I've previously managed soccer teams, coached both softball and soccer teams, and served as co-chair for a non-profit organization out of state. Professionally, I have been in leadership roles for the past 8 years, including supervisory and acquisition/training roles.

Do you have any special skills or experience in non-hockey areas like fundraising, sponsorship, finance, project management, etc.? This will help the SYHA determine if you are the BEST FIT for the SYHA Board and in what areas you might be suited to assist:

I have 15 years of experience in accounting and finance with an emphasis on project management, budgeting, process improvement, financial analysis, and training.

Do you have any specific areas within SYHA that you would like to be involved with should you be chosen as a SYHA Board Member? (Ex: Mite Program, Concessions, Community Events, Try Outs, Treasury, Secretary, Hockey Development, Tournaments, etc).:

Treasury, Tournaments - but I'm open to others as well.

I understand that if I am elected by an election of the association member's, I will serve a 3-year term on the board beginning immediately after the election. I authorize SYHA and MN Hockey to have a background check performed to confirm my eligibility to:
