ONLY CLUB IN SOUTHWEST MISSOURI THAT PLAYS IN THE MIDWEST REGIONAL LEAGUE

As the higher level tournaments and leagues that we participate in are starting their application processes earlier and earlier so must we. By holding a night of tryouts prior to high school starting, we will be able to process teams to meet those deadlines. This night of tryouts is approved by MSHSAA, and you have nothing to worry about regarding eligibility. Please make sure to register online. **IF YOU CANNOT ATTEND**, make sure to register anyway! Get your name on our list, and let us talk with you regarding opportunities.

Contact us to discuss options for HS club play!! We are committed to helping you reach your potential as a competitive player. Our HS teams are geared to compete at MYSA State Cup and MRL levels, and to ultimately win their respective championships. When it comes to competitive soccer, Sporting Springfield is the leader in player development in both on and off field successes.
