Varsity Overview

Tonight is a farewell to another great wrestling season, and a good – bye to 7 special Senior Wrestlers, along with 3 awesome stat girls. The 2021-22 wrestling team did not take a back seat to anyone. All of the obstacles that this team faced, didn't deter them from having an outstanding season. Covid, definitely took a toll on the normalness of our season. But our moto was "No Excuses", and when somebody had to sit out, somebody else stepped up and got the job done. Although difficult to handle, it was actually special to watch unfold. Our coaching staff grinded just like the wrestlers in continuing to let our wrestlers see the needed competition that was important in their development. In this manner, the 2021-22 team had a total of 26 letters earned, as we found Varsity competition for so many. With all of these men wrestling the team ended with a very solid 26-7 record. The Varsity was crowned Southwest Conference Champions for the 11th year in a row, and also winning the Columbia Hickman tournament and Regional Championship. So many hours of training, and a great balance of seniors and underclassmen helped us reach our goals. Although we fell a little short of our team goals, losing by 2 points last Tuesday to a very solid Moline squad, the effort that the team showed was truly second to none. Tuesday was seemingly just not meant for us, but everybody who participated and all those who prepared for it, can hold their heads high as effort and attitude was right on.

This season was also the implementation of the brand new – Edwardsville High School Girls Wrestling Program. So new, but so enjoyable to see these girls give the effort, branch out to something new, and experience the highs and lows of what wrestling or any other sport has to offer. We had 10 girls complete the season this year, and hope to add to this total even more next season. Although our program was new, and didn't consist of all the dual meets like the boys, we were able to be involved in three tournaments. The girls placed a remarkable 3rd out of 16 teams in their first event – The Lady Longhorn Round – up. We also participated in the largest event – the Wonder woman in Columbia, Mo. The girls placed 43 out of 77 teams, with Abby Rhodes placing 4th. The last tournament was at Columbia Hickman where we placed 6th out of 13. Mackenzie Pratt and Olivia Coll brought home Championships. The grand Finale – State tournament was just an awesome experience – seeing all three girls bring home state medals. Mackenzie was our first state finalist, and Abby came home with 3rd and Olivia receive a 6th. More work to do, to get even better next year.

So what took place to propel another great season? It was hard work. To be able to work hard, fight off your back, wrestler sore, make weight, lose multiple times, come back after a covid set back – puts you into a special group – TIGER WRESTLERS. The attributes not only helped you this season, but can help you for a lifetime. Wrestlers - thanks for a great season.

Stat girls - thanks for all of you countless help during the season, helping us accomplish what we did. The value that we share for you is countless. This program alone, would not happen without you. Thanks you so much on behalf of all the coaches and wrestlers.

This year's seniors' were short in numbers, but not effort. They will not leave many holes in the line – up – but they will be big holes. The conference is getting sick of us winning, and will place another target on our back, like many of the teams did this year. Getting to the top is tough, but staying there is even more of a challenge. We have many returning letterman, along with undefeated j.v. and freshman teams. But this does not guarantee wins. It will continue to take hard work and dedication, which is what wrestling, is all about. We have a little bad taste of the loss to Moline. Let's dedicate to have the feeling we felt last Tuesday in our last match – be a feeling we don't want. Let's work so we don't have to feel that way again. Wrestlers, Parents, Coaches, Fans – let's see how high we can turn up the efforts to reach elite levels. If we don't make it, the journey will all be worth it.

Seniors – thanks again for a great career. We wish you the best in your future endeavors. Thanks Coach Pretto, Coach Matarelli, Coach Heinz, Coach Followell, and all the other coaches who helped reach out to these young men and women. A special thanks to our Booster Club, along with our numerous weight class sponsors, that help enable us to have the schedule and program that we do.

Lastly, like always, thanks to everybody who supports my wrestlers, my coaches, and ME. Thank you for believing in the decisions we make and the way we coach. One guarantee is that we truly have the best interest of your kids at heart. Although some decisions are hard, and maybe don't seem right – they are not malicious or to be harmful. Edwardsville Wrestling is and will always be many people working to a common goal – the goal of "Building Champions" on and off the mat.

Wrestling teaches you more about yourself than any other sport - *discipline, determination, confidence, strength, agility, self-esteem, and grit.*

No more wrestling on boy's teams, girls now have their own team and own opportunity.

Edwardsville Wrestling
Same sport.
Same goals.
TWO teams.

Junior Varsity Overview

The junior varsity team had another outstanding season. The wrestlers and their parents should be proud of their accomplishments. Our coaching staff is very excited about the potential of this group along with their hard work ethic and dedication. Committing to our off season program will allow each of you to take the next step in becoming a fulltime varsity starter for us next season.

This year's team had a dual meet record of 27-0, another very impressive season for a team that was made up of many freshman and sophomores. The team competed in four tournaments this season: St. Thomas More New Year's Challenge Varsity Dual Team Tournament (9th Place of 20), Quincy Notre Dame Varsity Tournament (6th Place of 17), Lincoln JV Tournament (1st Place), Chatham Glenwood JV Tournament (1st Place), and the Southwest Conference JV Tournament (1st Place).

Competing in a couple of varsity level tournaments each year as a JV team is something we started a few years back. We decided the challenge it provided for those athletes in our program that have aspirations of becoming varsity was best for the program. As always this year's group did a great job competing and making the program proud.

This year's JV Conference tournament happen to be the same weekend as the Quincy Notre Dame Varsity Tournament so we decided to wrestle in both. We took what we felt were two quality teams to each event and managed to not only provide mat time for a number of our kids but they did an outstanding job. We came away with the JV Conference Championship wrestling many freshman and also took 6th Place out of 17 teams at a varsity tournament with many young kids in the lineup.

St. Thomas More New Year's Challenge was a new tournament for the JV this season. We looked at the schedule and decided as a staff that we had too much of a dead period for our underclassman during the holiday break. So deciding to get in another Varsity tournament with our JV team. This was another great opportunity for our younger kids and the future of the program. The team wrestled great and came away with a 9th Place finish out of 20 teams.

I would like to thank the parents of all the wrestlers for supporting your sons in this year in our program. Without your support it would be very difficult to be the team and program we are today. We appreciate the time you allow us to spend with your sons/daughters and helping mold them into great young men/woman of character on and off the mat.

I would like to thank the senior wrestlers and managers for your hard work, dedication, and passion you have shown for our program over the years. I would like to thank the parents of the seniors for always being there for your sons/daughters, the coaches, and the Edwardsville Wrestling program. I would also like to thank the rest of the coaching staff from the EWC coaches up to the high school staff for your dedication and hard work in helping continue to make Edwardsville Wrestling one of the top programs in the country.

Thanks

Kevin Matarelli
