

Good Afternoon,

I haven't updated the schedule or the calendar yet, but wanted to let you know about a site change for girls volleyball on Mon., Sept. 14 and Wed., Sept 16, 2020. Rum River canceled gym space for us next week for school event reasons so I was able to get the Andover HS gyms for next week. The times are the same w/ the exception of grade 6 on Wed. The following is the schedule for next week:

Monday, Sept 14 at Andover HS -
6:30-7:30pm: Grades 2, 3 and 4
7:30-8:30pm: Grades 5 and 6

Wednesday, Sept. 16 at Andover HS-
6:30-7:30pm: Grades 2, 3 and 4
7:30-8:30pm: Grades 5 and 6 (Time change for grade 6 from Original schedule)

I apologize for the change. For those of you who are not familiar with Andover HS, you can drop your daughter off at the bus corral doors off of Crosstown or in front of the gymnasium entrance at the front of the building. It says Gymnasium over the entry way.

One more thing, I was reprimanded for having so many parents in the hallways. I do not want the district to stop our clinic so please wait near the doorway for your daughter. We will make certain they are escorted out and there will be someone with them.

Rum River will probably be stricter about this rule. They are not as accustomed to having athletics happening during COVID as OVMS and AndHS.

I will get the calendar on the website updated and upload a new schedule this weekend.

Thanks for your patience with this change.

GO HUSKIES!

Sincerely,
Coach Connie Huberty
