

The Port Chester Youth Baseball League (PCYBL) is organized and run entirely by volunteers... parents and residents - just like you.

We are always looking for new and additional volunteers to help us provide the children of Port Chester with the best youth baseball program available.

Please consider volunteering in one of the following areas:

Board Member – the governing body of the league, the Board of Directors usually meets for a couple of hours twice a month during peak times and less frequently during the off-season. Board members also volunteer their time doing whatever is needed to keep the league operating successfully and profitably – working at the fields whenever games are being played, organizing league events like the Fun Run and All Star Day, and doing whatever it takes to help the PCYBL succeed for the benefit of the children of Port Chester.

Coaches – the league needs coaches at all levels to instruct the children in baseball fundamentals and to help them to become stronger, healthier, happier, well adjusted boys and girls.

Concession Stand – we need volunteers to help cook and sell food and beverages at our concession stand in Lyon Park on Saturdays during our spring season... volunteer all day, or for a few hours... all proceeds go right back into the league for the benefit of our children. We are also hoping to find someone to coordinate the concession stand on Saturdays, as the Board is overloaded and struggling with how to cover this function and continue to provide this popular service.

Special Events – our annual Fun Run, All Star Day, Battle at the Border tournaments and Awards Ceremony (to name just a few of our special events) are fun for the whole community and draw some of the largest crowds of the year to our local baseball parks. We need volunteers to help in many different roles, including concessions, field prep, score keeping, organizing contests for the children, Pitch, Hit and Run, and many others. Just a few hours of your time will go a long way towards making these events fun and successful for all.

Everyone is welcome to volunteer and participate in the league. We encourage all parents to get more involved, and we extend a special invite to those parents with younger children at the T-Ball and Rookie levels, who will participate in and benefit from the league for many years to come. Please help to make the league the best it can be for your children.... you won't regret it.

If you would like to volunteer or have any questions about volunteer opportunities, please contact the PCYBL at 914-939-8619 or feel free to talk to one of our Board members for further information.
