

Good afternoon GPR Club Directors!

We are excited to announce that all GPR-sanctioned tournaments for the 2026 club season are available for registration in AES (tournament schedule PDF and excel files are attached).

AES Tournament Entry System: <https://www.advancedeventsystems.com/>

We'd also like to highlight our 2026 GPR Regional Championships happening at CHI Omaha April 11-12 as well as our GPR Bid Tournaments. Those registrations can be found here: <https://www.greatplainsvolleyball.org/regionals>

To register for events via AES:

STEP 1) Log in to AES using the same login as your SportsEngine account. If this is your first time using AES with your club, you will need your 5 character code that can be found on our club listings page: <https://www.greatplainsvolleyball.org/clubs>

STEP 2) Click **Register** on the left column and filter your search to Event Affiliation: **USAV** and Region: **Great Plains** to only populate GPR sanctioned events:

The screenshot shows the AES Events search interface. On the left is a navigation menu with 'Register' highlighted. The main area has search filters: Event Affiliation (USAV), Region (Great Plains (GP)), League Affiliation (None), Gender (All), Age Group (All), and Month & Year (Month & Year). Below the filters is a table of events:
