# LITTLE MIAMI YOUTH FOOTBALL AND CHEER

## LMYFC Season Begins Next Month

Our LMYFC Season officially begins on July 17th. Many of our football and cheer teams have already been hosting optional conditioning events and meeting up as well for team-building and fundraising activities. We love to see such early and enthusiastic engagement! A huge Thank-You to all of our parent and coach volunteers for the pre-season effort to get everyone ready for season kick-off. At this point we expect that everyone has been contacted by your head coach and/or Team Mom. If you have not, please reach out to [lmymfcboard@gmail.com](mailto:lmymfcboard@gmail.com) and we will ensure that you are connected.

### How to Prepare for the Football Season

Make sure you have extra mouth guards, cleats, water bottles (we recommend a squeeze one with or without a straw), and practice pants (any color is fine but you may want an extra pair on hand). AND WEAR YOUR HELMET! EVEN JUST WEARING IN FRONT OF THE TV WILL HELP PREPARE. *Check with your Team Mom regarding Practice Jersey requirements as each team manages that separately.*

Playoffs- October 21st  
CCYFL Cheer Competition - Oct. 21st

## Thornton Park Information

We will be hosting Field Clean-Up on July 2nd from 9:00-12:00 at Thornton Park in order to get the park ready for the season. Please mark your calendars and come down to help.

We have posted all [Field Details on our website located here](#). Please be sure to reference our traffic flow maps as well as practice areas.

Please note that the majority of teams will practice at Thornton Park unless advised otherwise by your coach. A handful of cheer teams have voluntarily chosen to hold practices at Testerman Park.

## VOLUNTEERING

Reminder that ALL Football and Cheer families are required to fill volunteer shifts throughout the season. We are finalizing the volunteer scheduling needs and shifts but currently estimate that we will ask for 2-3 shifts per participant.

*Yes - If you have more than one participant that does mean more volunteer time.*

We will be opening up the full schedule for the season so you can volunteer any type of shift on any time slot to offer more flexibility.

## Uniforms are IN!!!!

We are SUPER EXCITED that all of our football and cheer uniforms are already in from our vendors well in advance of our season. All cheer uniforms have been distributed to Coaches/Team Moms and they will work directly on distributing to cheerleaders. *Please note the uniforms cannot be exchanged due to being custom made. Shoes can be exchanged as long as they have not been worn and have no markings. Email [Lmyfcheer@gmail.com](mailto:Lmyfcheer@gmail.com) with concerns.*

Football uniforms just arrived this week but have not yet been handed out to all Coaches/Team Moms. We will work on a plan to have them handed out and each team will manage distribution based on what is most convenient for them.

## Cheer Clinic at MVP on July 8th

LMYFC has partnered with Miami Valley Premier Athletics for our First Ever Cheer Clinics. The Clinics will be held for all cheerleaders and will be a great way for cheer squads to learn new material, work on choreography, tumbling, and build commeraderie!

We are very excited to add this experience to our program this year and extend a huge Thank You to MVP for your partnernship in this process.

## THANK YOU TO OUR VENDOR PARTNERS AND COMMUNITY SPONSORS!

We would not be able to do what we do without the amazing support of our many Community Sponsors and the outstanding service of our Vendor Partners. In addition to some of the highlights on this page, check out our [Sponsor page on the lmyfc.com website](#) for an ongoing listing of 2023 season sponsors. Our program is only possible without this support and we are beyond grateful for our many repeat and new LMYFC sponsors!

Interested in becoming a sponsor or know a local business owner that may want to support our program?
