

Dear Community Partner,

The Elite Athlete Baseball Travel Academy (E.A.S.T. Academy) are forming new teams this season 2019-2020. Formed in 2018 with one team, due to the continued and collective success of the organization, our 2020 season will include teams for ages 8- through 18- years old with a total of 6 teams and over 70 local players and families.

Our mission is to provide these talented kids the opportunity to further their skills and knowledge of the game. In order for our organization to operate, there are expenses too great to be shared by the families of these young athletes. We look to our local area businesses and professional people for sponsorships to help reduce the out-of-pocket expenses of our participating youth with the costs of tournaments, equipment, uniforms, and other associated fees. By making a contribution, your business would receive local recognition as one that really cares about our youth.

Your support with any one of our sponsorship programs would be greatly appreciated.
