

- Quiet Waters Park is located at 600 Quiet Waters Park Dr., Annapolis, MD 21403
- The park is actually closed to the public before 9 am on weekends. There will likely not be a gate guard there; however, if there is, just let them know that you are there for hockey and admission is free for scheduled hockey events.
- Sometimes the entrance gate will be closed, but the exit is open - in this case *carefully* enter through the exit.
- After entering the park, follow the road until you see the ice rink. At the first fork in the road keep left. After passing the gazebo, pond and ice rink, turn right at the second fork in the road.
- Please use the parking lot labeled above; don't park in the circle driveway adjacent to the rink and in front of the visitor center (you can drop off kids or gear here, but we cannot park here).
- There are no formal locker rooms but players can get ready in the lodge (under the visitor center). The entrance is past the skating rink (as you walk from the parking lot). Many players get dressed on the benches outside as well.
- There are limited facilities, but bathrooms are located in the building.
