

Diamond Hit Club Tryouts 2019 Full Post

We will be holding Tryouts for all ages at a few locations as we will have winter training locations in Warrensville Heights (Triple Play Baseball Academy and Firebird Athletic Center) and Mentor (Lake Catholic Cougar Dome). Home fields include the following.. Mayfield Heights, Mentor McMinn, Euclid, Twinsburg, Richmond Heights, Perry Lake County.

Diamond Hit Club offers a full training program (pitching, catching, fielding, hitting) that is geared towards preparing student athletes for high school, College, and Professional Baseball. We play a competitive league schedule and games will be played around the Cleveland/Akron area along with showcase tournaments. All coaches are paid and have experience in teaching/coaching/playing either at the college, professional, or high school level.

Diamond Hit Club has had over 90% of their players go on to play college baseball. We continue to put our players in a situation to have success and find them the right school that fits them both academically and athletically. We are excited to add teams at younger ages that will result in player developing the necessary skills at a much needed younger age!

Please see details below for tryouts and follow us on twitter and our site for updates on Tryouts and weather. TRYOUTS ARE OPEN TRYOUTS BUT PREREGISTRATION IS ENCOURAGED YOU CAN PREREGISTER AT <https://diamondhitclub.sportngin.com/register/form/385473588>
