If you are wanting to join a team, but haven't been contacted by a captain, please [CLICK HERE](#) to add yourself to the NTCSA's player pool/free agent list.

This list is used by captains in need of players, so be sure to add a detailed description of your experience when adding yourself. Unfortunately, there is no guarantee a captain will reach out.

If you get added to a team, you will register under the player registration link and will be removed from this list. At any time you want to be removed, please contact info@ntcsa.org and we will get you deleted.
