**Create Account**

Passwords must be at least 8 characters in length and must contain at least one uppercase letter, one lowercase letter, and one number or symbol.

**Step 4:** Click **Sign up for your Sports Engine Account**. An activation email will be sent to the email address used to create the Sports Engine account. If you do not see the email within a couple of minutes, be sure to check your Spam/Junk folder.

Open the activation email and click on the activation link. This will bring you back to the website where you can successfully log in to your Sports Engine account.

**Step 5:** Log in to DCSAAsports.org

Click on the blue circle with your initials and select the “connect to Site” option. Follow the prompts to join the DCSAA network. This will allow you to access members-only sections on the site and receive exclusive notifications from DCSAA.
