FROM THE EXECUTIVE DIRECTOR

Dear Valued Vendor,

The 2023 WFCA Football Clinic was a smashing success. Our registration numbers rivaled years before the pandemic. I am happy to report that football is alive and well in Wisconsin! Our membership looks forward to checking in year-after-year to learn “what’s new” in your product lines. You are an integral part of our clinic’s success and you are truly valued by the Association and our membership.

We have long been recognized as the largest “Football Only” Coaching Clinic in the Nation! We expect that to continue and we are putting together an exciting speaker lineup for the 2024 including Coach Fickell and his Wisconsin-Badger staff.

As in the past we will not be using the large speaker room on Saturday morning, so the large vendor exhibit area will not be open on Saturday morning. Vendors may break down on Friday evening after 9:00 pm. and must be completely cleared by Saturday morning at 10:00 am.

As always, we invite you to mingle with coaches at the Thursday and Friday evening Bashes. Friday is a long day, so in the afternoon we will provide a Vendor Hospitality area with refreshments for your convenience. We have created an on-line registration that allows you to reserve your spot with a credit card if you wish. We welcome other suggestions as to how we may better serve you, feel free to email Charna at office@wifca.org with any suggestions or questions, We look forward to seeing you again this spring!!
