

NOTICE TO THE PUBLIC • DEFLECTION OF TRANSIT BY TEMPORARY CLOSURE

Announcement of the temporary closure of the following routes due to the event IRONMAN®70.3®Puerto Rico.

On March 20, 2022 from 4:00 a.m. to 2:00 p.m. the following closings will be made:

Section 1-2: Drivers heading to the Isleta de San Juan will do so on Fernández Juncos Avenue. Drivers who leave the Isleta de San Juan will do it by Constitución Avenue (PR-25) and by Fernández Juncos Avenue (PR-35).

Section 2-3: Expreso Luis Muñoz Rivera (PR-1) will be closed in the direction of Isleta de San Juan towards the John F. Kennedy Expressway (PR-2). The drivers will use the Baldorioty de Castro Expressway (PR-26) as the alternate route.

Section 3-4: The John F. Kennedy Expressway (PR-2) will be closed in the direction of San Juan to Guaynabo. The drivers who pass through Roberto H. Todd Avenue (PR-2) to the De Diego Expressway (PR-22) will be diverted by the Luis Muñoz Rivera Expressway where they can access the De Diego Expressway (PR-22).

Section 4-5: At the José De Diego Expressway (PR-22)/John F. Kennedy Expressway intersection (PR-2), the right-most lane will be closed. This closure will extend to the exit ramp towards the PR-165. Drivers heading to the PR-165 may use the PR-5, PR-869 or PR-167 as alternate routes.

Section 5-6: On Highway PR-165, from PR-28 to Punta Salinas Beach in Toa Baja, the lanes that run from Guaynabo to Toa Baja will remain closed for the use of cyclists. The lanes in the direction of Toa Baja to Guaynabo will be available for vehicular traffic. Drivers in this area will be able to access the different destinations on both sides of the PR-165 using the vertical intersections of highways PR-24 and PR-5, as well as the PR-870 intersections entrance to Isla de Cabras, and the entrance to the Punta Salinas Beach, which will have controlled access.

Section 6-7: Road PR-165 from the Punta Salinas Beach to the intersection with PR-6165 will remain closed to traffic in both directions. We urge drivers and the general public to be attentive to signals and other traffic control devices to be installed in the area for safety and guidance. We request your indulgence for the inconveniences that this measure of a temporary nature may cause.
