Dear North Penn Baseball Fans,

To our friends and alumni in the community who love North Penn, and love supporting our baseball team - Thank you! To our Extra Innings Club who make so many of the finer elements of our program possible, Thank you! To the families of our players who commit so much support and time to something the guys love so much, Thank you! To the faculty, staff, administration, and school board of North Penn who encourage and support our students in the classroom, hallways, offices, buses, cafeteria - Thank you! To our coaching staff who dedicate so much of their own passion for the game and so much of their time to these student-athletes and to the school as a whole- Thank you! And of course, to our 2022 Knights, with whom it is nothing shy of a pleasure to spend so much time and to work with in this wonderful game - Thank you!

2021 was another year for which we are all very grateful, and seeing the support of so many people throughout our long postseason run gave us all many humbling and proud moments in a Knights uniform. Now, being able to follow along as 25 North Penn Knights alumni compete in college baseball this spring, is equally rewarding. And as we move through 2022, our goal, as always, is to continue the long, proud tradition of North Penn Knights Baseball that so many great players, coaches, and families have built since 1956.

This season, we are excited about a great mix of players who gained valuable innings and experience in last season's 20 win season, and plenty of exciting young talent eager to be the next guys up. Their diligent work ethic and love for the game is palpable, and where passion meets talent, the sky's the limit.

Additionally, we are honored to induct, in May, four new members into our North Penn Baseball Knights of Fame, as we welcome Randy Mower (06), Kevin Christy (08), Matt Albaugh ('09), and Robbie Zinsmeister ('09) into the hall prior to our Hall of Fame Game and part of a big 150th anniversary celebration of Lansdale.

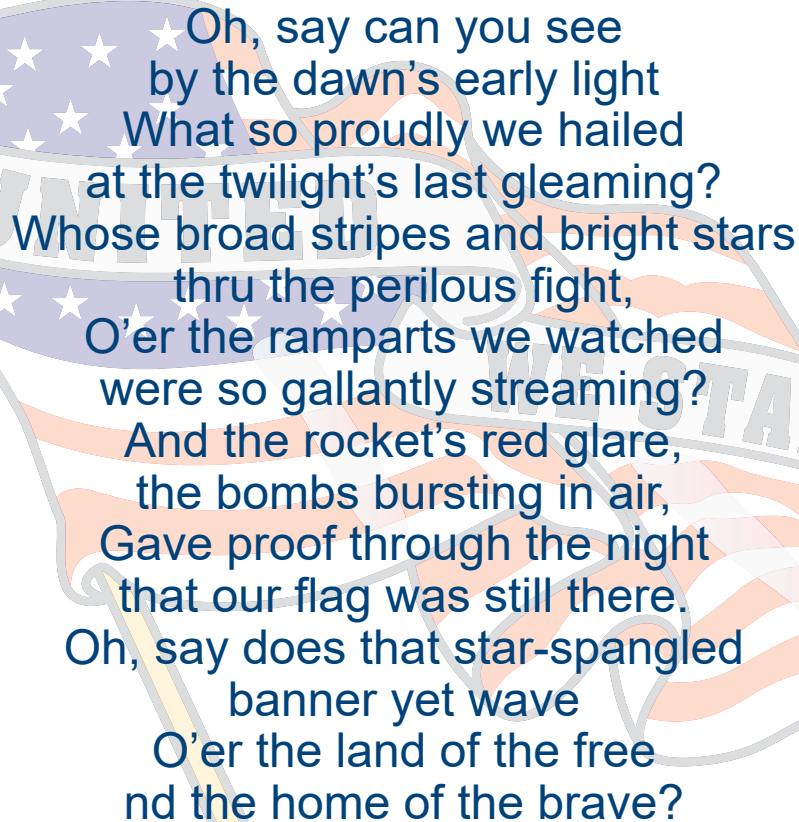

Again, thank you all for your love of the game and love of North Penn. The spring of '22 is sure to be full of many more exciting times in the North Penn Baseball Family!

Thank you, and enjoy the ballgame!!!

Kevin Manero (NP '97)  
Head Coach

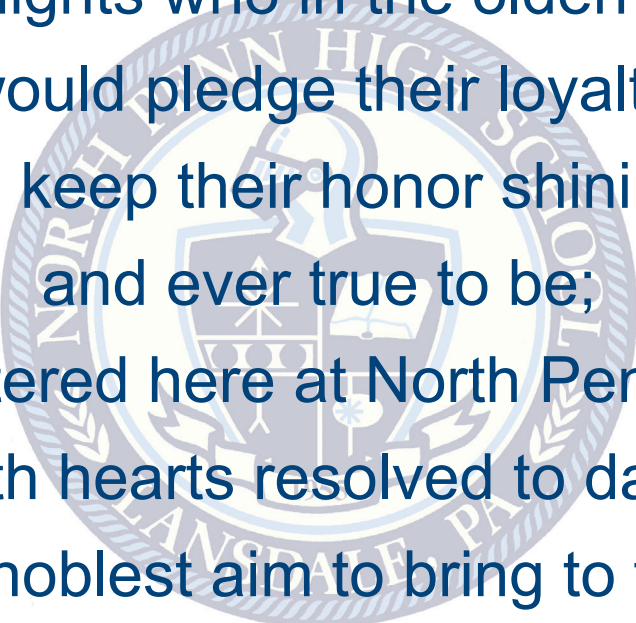

## Our National Anthem

Oh, say can you see  
by the dawn's early light  
What so proudly we hailed  
at the twilight's last gleaming?  
Whose broad stripes and bright stars  
thru the perilous fight,  
O'er the ramparts we watched  
were so gallantly streaming?  
And the rocket's red glare,  
the bombs bursting in air,  
Gave proof through the night  
that our flag was still there.  
Oh, say does that star-spangled  
banner yet wave  
O'er the land of the free  
and the home of the brave?

## North Penn Alma Matar

As Knights who in the olden times  
would pledge their loyalty  
To keep their honor shining  
and ever true to be;  
We entered here at North Penn High  
with hearts resolved to dare  
Our noblest aim to bring to fame  
Our Alma Mater fair.

Spring 2022

Welcome to the 2022 baseball season at North Penn High School - home of the North Penn Knights! The Knights have worked very hard to prepare for each and every game. I send my congratulation and thanks to all the player, coaches, and managers!

Thank you to the parents and guardians who provide the necessary support to these young adults. We are proud of our student-athletes and their dedication to both academic and athletic success.

We welcome our opponents and hope you enjoy the game. Please be a great spectator and respect the players, coaches, and umpires.

Go Knights! Have a great season!

Spring 2022

Welcome to the 2022 North Penn Knights Baseball season!

Seeing the Knights return to the field in 2021 was encouraging after the lost 2020 season and this year, I hope, will be a season to build upon the successes of last year's team. After what has seemed to be a long, cold winter, there's nothing I look forward to as much as the crack of the bat that signals the return to warmer weather and all that spring has to offer here at North Penn High School.

While the work these student-athletes dedicate themselves to in order to see success both on the field and in the classroom should be commended, your efforts to support them are to be commended as well. Without the backing of their family, friends, and boosters, their accomplishments would not be possible. I want to thank each and every one of you for your continued support of this incredible program.

Finally, on behalf of the administration, staff, and students at NPHS, I would like to thank Coach Manero, his coaching staff, and managers, as well as our athletic trainers, for their time, effort, and dedication throughout the season. Without all of their hard work, success during the 2022 season would not be possible.

Now, it's Knight Time...let's play ball!!
