4. We ask that people leave after game and do not congregate in lobby after.
5. Most of all use "Common Sense"
6. ENJOY your child's game!

KENOSHA KOMETS (KENOSHA ICE ARENA)

Face coverings are required for everyone, players included, at all times while in the building and on the ice. No food or drink is allowed in the building for spectators. Players must bring their own water bottles.

Building access will be limited in the following manner:

Players, coaches, and team manager will be allowed into the building thirty minutes prior to the scheduled ice time. To keep players from both teams separate as much as possible, the away team should enter the front doors of the arena and will enter one of the new, temporary locker rooms in the lobby - the assignment will be on the TV screen as you enter. Teams should remain in their locker room until it is time for on ice warm ups. Teams should be out of the building 20 minutes after their final game buzzer for locker room cleaning.

Spectators will only be allowed into the building after their team has begun on ice warm up and should report directly to the grandstand. Team managers should alert their team outside the building that it is time to enter. There should be no one from the preceding game left in the building when the spectators enter.

Spectators should sit together with their family unit, ideally with no more than 3 spectators per player, leaving a minimum of six feet to the next group. Face coverings are required at all times in the grandstand.

Lobby restrooms will be available, however no loitering in the lobby.

No congregating in the parking lot after games. The goal is to keep groups at a minimum.

TWIN RINKS SHARKS (TWIN RINKS ICE ARENA)

- 1 parent per skater
- Please arrive no earlier than 15 minutes before your ice slot
- Please leave ASAP after your game
- Masks are required in the building - including on the ice.

These guidelines can change as the CDC recommendations change.

Our concession stand is closed.

WINNETKA (WINNETKA ICE ARENA AND NORTSHORE ICE ARENA)

* Two spectators

* Enter 15 minutes prior

* Exit 10 minutes after

* Locker Rooms available: we are minimizing use.

* Follow directions for players/spectators at both rinks. As you know Winnetka is a small building so important to stay in assigned areas.

* Masks: On everywhere and we would prefer on the ice as well: we have some teams that are very conservative with this and others that are not.
