The purpose of the La Mirada Baseball Association (“LMBA” or “League”) is to promote the welfare of the community of La Mirada by sponsoring baseball and related activities with the objectives of developing sportsmanship, character, and principles of fair play and integrity in the youth of the community.

This book does not contain a complete set of rules governing play in LMBA. All games will be played in accordance with the most recently adopted edition of “PONY Baseball Rules and Regulations” and the Major League Rules as printed by the “Sporting News” except as set forth in the “LMBA Official Rules and Regulations”. In the event of any inconsistent or incompatible provisions, the LMBA Official Rules and Regulations shall take precedence, followed by the provisions of the PONY Baseball Rules and Regulations, and then by the Major League Rules.

These Rules & Regulations (along with the provisions of the PONY Baseball Rules and Regulations and the Major League Rules) govern as well as can be expected based upon the collective expertise of the LMBA Board of Directors and the LMBA Rules Committee. The Board and Rules Committee reserve the right to rule on any situation that may arise during the course of the season as long as it does not alter or oppose the basic purpose of the League or its By- Laws.

THERE SHALL BE NO ALCOHOLIC BEVERAGES ALLOWED IN ANY AREA OF LOS COYOTES DURING ANY LMBA FUNCTION (INCLUDING PRACTICES AND GAMES). VIOLATORS ARE SUBJECT TO EJECTION FROM LMBA FUNCTIONS AND LOS COYOTES, AND SHALL BE SUSPENDED OR EXPELLED FROM THE LEAGUE.

LMBA shall adhere to the City of La Mirada’s most recently approved residency requirement for youth sports.

75% Residency Requirement: For all players listed on the official registration list for the league [Foal through Pony divisions], a minimum of 75% MUST be La Mirada residents. For the purposes herein, a La Mirada resident is someone that has shown proof of residency to a League official prior to being placed on an Official Team Roster for the current playing season. Nothing in the LMBA Official Rules and Regulations shall supersede the 75% Residency Requirement. In a case of discrepancy, the 75% Residency Requirement shall prevail.

General Rules and Regulations

1. Legal Players

- 1.1. Subject to the 75% Residency Requirement, any person between the ages of 3 ½ years and 16 years may register to play baseball with

LMBA. Registration forms must be submitted to LMBA prior to the termination of the Registration Period (as set and modified by the LMBA Board of Directors on an annual basis), and must be accompanied by applicable registration fees.

- 1.2. The official playing age of a player shall be the player's age as of April 30th of the playing year. A "playing year" shall commence on May 1st and terminate on April 30th. Although LMBA utilizes an "and under" playing age system, unless otherwise approved by the Rules Committee, players shall be assigned to teams/divisions based upon the following ages:

1.2.1.	Foal	3 ½ & 4 years old
1.2.2.	Shetland	5 & 6 years old
1.2.3.	Pinto	7 & 8 years old
1.2.4.	Mustang	9 & 10 years old
1.2.5.	Bronco	11 & 12 years old
1.2.6.	Pony	13 & 14 years old
1.2.7.	Colt	15 & 16 years old

- 1.3. "Playing Down" – No player shall play in a lower division than that which corresponds to the player's age as set forth in Rule 1.2, except upon (i) request by the player's manager or the player's parent(s), (ii) without approval from the LMBA Rules Committee, and (iii) without the consent of the player's parent(s). The ability to "play down" shall only be allowed if the Rules Committee feels that the player's safety would be severely compromised by playing in the appropriate division as set forth in Rule 1.2 and if the player would not severely compromise the safety of the players in the lower division. Players may only "play down" one age group.

3.1.1. **EXCEPTIONS** to this rule are non-payment of registration fees and players failing to participate in the draft (or other approved method of team formation). See Rules 3.6 and 4, herein below.

3.2. Returning LMBA Non-Resident players from the preceding year's "Spring Season" will be given priority for registration and team formation before New Non-Residents (where possible in Divisions that include a "draft"). LMBA adheres to the City of La Mirada's 75% resident to 25% non-resident ratio requirement.

3.3. Each team shall have a responsible adult manager. Managers will be selected in accordance with Section 2, hereinabove.

- 3.3.1. Each Manager shall be ratified by the LMBA Rules Committee each season in which they manage and subsequently approved by the LMBA Board of Directors.
- 3.4. All teams shall consist of a maximum of twelve (12) players and a minimum of ten (10) players, unless otherwise approved by the Division Commissioner (and with the agreement of the manager where more than twelve (12) players are to be on the team). Players shall be placed on teams in accordance with the provisions of these Rules and Regulations.
- 3.5. A player evaluation and selection process (collectively, the “Draft”) will be held for Pinto through Colt divisions. Each team shall be allowed to have no more than 2 representatives at the Draft (Team Manager and Head Coach), unless otherwise approved by the Division Commissioner or other designated LMBA Board member.
- 3.6. All paid registered players who do not participate in the Draft and who are not frozen will be subject to a blind draft process (“Hat Pick”). The Hat Pick selection will take place as part of the draft process by the Division Commissioner and the Player Agent, and the President and/or the Vice President will be notified of the date and time of the hat pick, as well as of the results (if not present). Once all paid registered players both present at tryouts and those selected via Hat Pick have been assigned to a team will the Draft be considered complete.
- 3.7. Players who register after the end of the registration period will be placed on the waiting list – and will not be guaranteed placement on a team. They may be placed on teams by the Player Agent and the Division Commissioner if the need arises in each of the respective divisions.
- 3.8. Any player choosing to drop from their drafted team will not be placed on another team and will not be placed on the waiting list without approval of the Division Commissioner, Rules Committee, and/or Board of Directors. A player placed on a new team will incur all costs due to the move (including, but not limited to, costs for a new uniform). Requests for refunds for players that have chosen to drop from a drafted team shall be subject to approval by Board and shall be pro- rated (dependent upon the drop date and costs incurred by the League).

- 3.9. If a player is taken off a team (for any reason) after the draft or other method of team formation, the Manager shall notify the Division Commissioner of the name and reason for the drop (if known) within forty-eight (48) hours. The Commissioner shall immediately notify the Player Agent that a vacancy exists, and the Player Agent shall fill the vacancy from the waiting list (if a player is available). Managers are not permitted to recruit players to fill vacancies. All vacancies will be managed and filled by the Player Agent.
- 3.10. Freezes: Managers in each of the divisions will be allowed to freeze up to the following number of players (one of which must be the manager's child if the player is in the division) that need not otherwise participate in the player evaluation process:

Foal – 12 freezes

Shetland – 12 freezes (consisting of not more than 7 “seniors”*)

Pinto – 4 freezes (consisting of not more than 2 “seniors”*)

Mustang – 4 freezes (consisting of not more than 2 “seniors”*)

Bronco – 4 freezes (consisting of not more than 2 “seniors”*)

Pony – 6 freezes (consisting of not more than 3 “seniors”* and your child is considered one of your freezes)

Colt – 8 freezes

*For purposes of this Rule, a player shall be considered a “senior” if the player is in his or her last year of eligibility for that Division in accordance with Rule 1.2, hereinabove, and the approved “age key”.

Managers are required to freeze their child (or other family relative) that plays in the same Division on the team. In the Pinto, Shetland, Mustang, and Bronco Divisions, the frozen child counts against the freezes referenced hereinabove. If the frozen child has a sibling, the drafting of the sibling would follow Rule 3.11.

No player may be “frozen” by a manager in Shetland through Colt Divisions unless a “freeze form” has been submitted to the Division Commissioner, signed by both the manager and player's parent(s), **no later than** 8 p.m. on the Friday preceding the weekend on which the Draft is scheduled to occur or as otherwise set forth by the Board. In the Foal Division, freezes may be annotated either on the Registration application or on a “freeze form” and must be submitted by the same deadline as with all other Divisions. No manager may freeze a player who is either not registered with the League or who is on a waitlist.

If any manager has less than the maximum allowed freezes, a supplemental round in the draft will be added after the 1st round is completed. In that supplemental round, only managers with less than the maximum allowed amount of freezes will select a player or players in the order of their original draw until all teams have an equal number of players (which must still adhere to any applicable senior/junior limitations set forth hereinabove).

- 3.11. Siblings eligible to play in the same division must notify the Player Agent(s) prior to the draft to be eligible for sibling combination. Sibling combination to be drafted as follows:

Team Freeze: 1st sibling-3rd round

2nd sibling-5th round

3rd sibling-consecutive rounds after 5th round

Sibling Draft: 1st sibling-round chosen

2nd sibling-skip one round

3rd sibling-or sibling chosen after 5th round; consecutive round draft pick

- 3.12. Draft positions will be determined by a blind draw preceding the Draft. Every team will enter the Draft in the same round. The Draft will start with the number one draft pick through the last pick. Last pick will then select a second player and proceed from the bottom back to the number one draft pick.
- 3.13. In each Division (Foal through Colt), a period not to exceed 10 minutes will be provided to the managers immediately upon the conclusion of the draft (or other team assignment) to negotiate no more than two (2) trades of players to another team. No team may participate in more than two (2) trade nor shall any team trade more than two (2) players. Both managers involved in each trade must mutually agree upon all trades. No manager may leave the area of the draft until the "trade period" has concluded and team rosters have been submitted as set forth in Rule 5.1, herein below. No trades shall be allowed outside the trade period WITHOUT EXCEPTION.
- 3.14. Foal and Shetland Division players (other than those that are "frozen") will be placed on teams by the Player Agent(s) and Division Commissioner. No Shetland Division team shall have more than eight (8) Senior players unless all junior players have already been placed on a team. If returning teams are not balanced within the division, the commissioner and Player Agent(s) may request approval of the board to re-evaluate the distribution of returning players (Must have board

approval). No trading of players is allowed at any time. NO EXCEPTIONS.

- 3.15. If a Draft is used in the WINTER / FALL season, the draft procedure will be the same as Spring season rules, unless otherwise approved by the Rules Committee.

4. WAITING LIST

- 4.1. Players who register after the end of the registration period has started will be placed on the waiting list and subject to a blind draft (“hat pick”) – and will not be guaranteed placement on a team.
- 4.2. Players will be assigned by the Player Agent and Division Commissioner as necessary to fill the minimum player requirement per team (see Rules 3.6 and 3.7, hereinabove) or, to fill vacancies, and are not to be recruited by the Managers.
- 4.3. If no players are on the waiting list, the teams will not be informed as to their priority in receiving the next player to sign up.

5. TEAM ROSTERS

- 5.1. A complete and signed preliminary TEAM ROSTER must be submitted by all Pinto - Pony team managers/coaches to their **Commissioner** prior to leaving the Draft room on the day of the Draft. All Managers are required to use the “Official Team Roster” format provided by their Commissioner. Official **FINAL** Team Rosters are due to the Division Commissioner two (2) weeks after the completion of the draft or as otherwise required by the Division Commissioner or Board of Directors.

Any changes (with respect to Players, Managers, Coaches, or Team Parents) made to the Official Team Roster must be made, and approved by the Commissioner, prior to the start of the fourth regular season game. Any changes made to the Official Team Roster, after the start of the fourth game, must be reviewed and approved by the Rules Committee.

7.6.2. No pitcher may pitch on three consecutive days, regardless of pitch count.

7.6.3. Pitch Smart Pitch Count

Division	Daily Max	Required Rest (Pitches)				
		0 Days	1 Day	2 Days	3 Days	4 Days

Mustang	75	1-20	21-35	36-50	51-65	66+
Bronco	85	1-20	21-35	36-50	51-65	66+
Pony	95	1-20	21-35	36-50	51-65	66+
Colt	95	1-30	31-45	46-60	61-75	76+

LMBA Winter/Fall Season Rules

LMBA Select Division Rules

LMBA is dedicated to sponsoring recreational baseball and related activities in an effort to develop sportsmanship, character, and principles of fair play and integrity in the youth of the community.

As LMBA focuses its efforts on players ranging in age from 3 ½ to 14, the players' experience levels also vary from novices with little or no experience to those that are adept with almost a decade of playing experience.

Although LMBA provides players an opportunity at the end of its regular Spring season to be selected onto "All-Star" teams that compete against teams from other cities in official PONY All-Star tournaments, LMBA desires to provide interested youths with a more advanced playing level on a year-round basis by means of a "Select Division" to better prepare them (as well as coaches and parents) for the transition from recreational play to "All-Star" play (and high school/collegiate play).

Notwithstanding the fact that LMBA teams participating in the Select Division will play against teams from other cities (and will be subject to "All-Star" rules year-round), it is LMBA's goal to ensure that such teams remain a vital part of LMBA and that all persons participating in the Select Division adhere to LMBA's goals, values, and objectives.

Teams participating in the Select Division ("Select Teams") shall adhere to any rules, regulations, and Codes of Conduct applicable to the tournament/game in which the teams are playing.

All participants in the Select Division (including managers, coaches, team parents, players, and spectators) shall adhere to the LMBA Code of Conduct at all times, and any violation of the LMBA Code of Conduct or any applicable tournament rules (including those set forth herein) may subject said participants to disciplinary action by the LMBA Rules Committee and/or Board of Directors.

19.4. Player Selection

19.4.1. Select Teams shall consist of no less than twelve (12) players and no more than fifteen (15) players. The ultimate number of players on any given Select Team is at the discretion of the Team Manager with approval of the Select Division Committee.

19.4.2. Only those players who live within the LMBA All-Star boundaries and meet all other All-Star eligibility requirements (as set by PONY and/or LMBA) shall be eligible to play on a Select Team.

19.4.2.1. Any player who is deemed ineligible for All-Star tournament play pursuant to the LMBA Rules & Regulations shall also be ineligible for placement on a Select Team.

- 19.4.3. Only those players who have and maintain at all times a scholastic grade point average of 2.0 (or the equivalent thereof).
- 19.4.4. The Select Division Committee shall schedule and conduct team tryouts prior to November 1st of each year (or as soon thereafter as practicable), however, player selection for each Select Team shall be at the sole discretion of the Select Team manager with input and final approval of the Select Division Committee. Selection shall be based upon baseball skill, baseball experience, commitment to the Select Team (including ability to attend/participate in practices, games, optional tournaments, and All-Star tournament, and ability to participate in Team fundraising events), commitment to LMBA, and other Team/League requirements.
- 19.4.4.1. No player may participate in the tryouts or otherwise be placed on a Select Team unless said player has completed a "Select Division Parent/Player Commitment Form" – and submitted the most recent scholastic report card. The player commitment form shall, at a minimum, discuss the obligations and commitments set forth in Sections 19.5 and 19.6.
- 19.4.4.2. Notwithstanding Rule 1.3, no player may be initially placed on a Select Team whereby the player is "playing up" into any higher age division within the Select Division. This shall not prevent a junior from playing on a senior team within the same age division, but would prevent a senior from playing on a junior team in a higher age division - unless that junior player is a returning player who was initially placed on the team while the team was in a younger division. For example, although a 9-year old would be allowed to play on a 10U Select Team, a 10-year old would not be allowed to play on an 11U Select Team unless the 10-year old is returning to the Select team and was initially placed on the Select team while within a younger age division and played with that Select Team in the immediately preceding season.

However, at least 75% of all players on a Select Team must be age specific. For example, at least 75% of the players on a 10U team must be 10, or on an 8U team must be 8, etc.

19.4.4.3. If, after the formation of non-Select teams, a Select Team requires a replacement player due to a rostered player being permanently removed from the roster, the Team Manager may select another player so long as (i) the replacement player has not already been placed on another LMBA team roster during that season (even if no longer on that roster), and (ii) the replacement player does not increase the total number of rostered players.

19.4.4.4. Select Team registration fees and other monies as established by the LMBA Board shall be tendered within seven (7) calendar days of selection to a Select Team or as otherwise approved by the Select Division Committee and/or LMBA Board.

19.5. Player Commitments

Players who are chosen for a Select Team are expected to commit to the Select Team from November 1st (or at such time as the player is selected) through October 31st of the following year. Although the main season for the Select Team shall be January 1st through July 31st (or the natural end of the All-Star Tournament Season), Select Teams may conduct practices, participate in tournaments, participate in fundraising, or other team activities throughout any portion of the year, and Select Team players are also expected to commit to said activities.

19.6. Miscellaneous

19.6.1. Scholastic Grade Point Average: Each player shall submit his/her scholastic report card to the Team Manager within seven (7) calendar days of receipt of each report card from the player's school.

19.6.1.1. Any player who does not maintain a scholastic grade point average of 2.0 (or the equivalent

thereof) is not eligible to participate in Select Team activities (including practices and games).

19.6.1.2. Players may, in between report card periods, regain eligibility to participate in Select Team activities by submitting to the Team Manager a letter from a teacher or School administrator demonstrating sufficient progress that demonstrates an elevation of the grade point average above 2.0 (or the equivalent thereof).

19.6.2. Team Responsibilities: Select Teams will share the same obligations and responsibilities to LMBA as non-Select Teams (e.g., participation in field maintenance duties, snack shack duties, etc.

19.6.3. Additional Team Activities: At the discretion of the Select Team manager (and with the approval of the Select Division Committee), Select Teams may hold more practices than non-Select Teams, participate in additional tournaments, conduct fundraising activities, and other activities that benefit the Select Team and/or LMBA. *Such activities may result in additional expenses and travel for participants in the Select Team.*

19.6.5. Practice Field Availability: Practice fields at Los Coyotes or other fields assigned to LMBA will be allocated to Select Teams in the same fashion as to other League teams.

19.6.6. All-Star Eligibility: At the discretion of and subject to the approval of the LMBA Board, the Select Team for each age group may compete as one of the All-Star teams representing LMBA. Select Teams are not intended to be the only All-Star team representing a specific age division for LMBA.

19.6.6.1. Only those Select Teams and players that meet All-Star eligibility requirements (as set by PONY and/or LMBA – including minimum

scholastic grade point average) at the time of All-Star Team selection shall qualify for selection as or to an All-Star Team. Select Team players shall only be eligible for a Select All-Star Team (if formed at the discretion of the LMBA Board), and no Select Team player shall be placed on an All-Star Team comprised of non-Select Team players.

19.6.6.1.1. A Select Team that has less than 12 players at the time of All-Star team formation or of any All-Star game may select another player who had been on a non-Select Team during the Spring season if, and only if, that player was nominated to a non-Select All-Star team but was not placed onto any non-Select All-Star team.

19.6.6.2. A Select Team that qualifies to represent LMBA as an All-Star Team in the Pinto, Mustang, or Bronco Divisions may not include any player that did not participate in at least 80% of the Select Team's regularly scheduled games – nor shall any Select Team that qualifies to represent LMBA as an All-Star Team in the Pony Division include any player that did not participate in at least 50% of the Select Team's regularly scheduled games.

19.6.6.3. Select Team players that are selected for placement on an All-Star Team shall be subject to all obligations and responsibilities as all other players selected for placement on an All-Star Team, including payment of registration fees and deposits, and fulfillment of all required All-Star participant commitments – such as field maintenance duties, snack bar duties, fireworks booth duties, pre-sale of fireworks, and as otherwise indicated on the Commitment Agreement or as approved by the LMBA Board).
