

We hope everyone is doing well and in good spirits.

Please review the information below as the league prepares for Opening Day on Sunday, April 14th :

TEAM ROSTERS

The team rosters are now available for the 2024 season on the league website at www.hhmbhl.com along with the SportsEngine App.

For divisions U8 and above, please be advised that after the first two (2) weeks, league co-ordinators will be reviewing team rosters and will implement any changes required to try and achieve team balancing if required.

GAME SCHEDULE

The 2024 game schedule is posted on-line at www.hhmbhl.com and available on the SportsEngine App. If you notice any errors, please notify the league and thank you in advance. The league will use MoldMasters SportsPlex Arenas and Acton Community Centre Arena for games. Please check the schedule carefully for arena location of games early in the season as Mold-Masters still has ice in some arenas and the league is using Acton Arena for games.

Additionally, in May-June there could be some adjustments to the arenas on the current schedule as the Town of Halton Hills may have an event to be scheduled at a particular arena. Schedule will be updated immediately upon any notifications from the Town of Halton Hills.

SPORTS ENGINE APP

Below is the link to the Parents page on the league website which has information for downloading the league SportsEngine app to get schedules and team updates along with many other features:

<https://www.hhmbhl.com/parents> .

OPENING DAY

Opening day is scheduled for Sunday, April 14th and games will be played at Acton Community Centre Arenas for the Learn to Play division, U8, U10 and U12 divisions. Please check your team's schedule carefully.

Please arrive early on opening day as you will be provided your uniform prior to the game.

COACHES ASSISTANCE

The league is looking for coaches in some divisions. If interested, please inquire with the league and thank you in advance.

Coaching information will be sent out to coaches early next week.

EQUIPMENT REMINDER

As a reminder, please refer to the Equipment Requirements page on the league website for equipment. Link to website is below:

<https://www.hhmbhl.com/page/show/6893158-equipment-requirements>

The league has done their very best to try and accommodate players being able to play together as long as the balancing of teams are prioritized.

Please accept our apologies in advance if there are any delays in email replies as the league prepares for the upcoming season. We do appreciate your support and patience and as you are aware the league always does their best to communicate to the membership.
