End of Season – Summer

We will send out a communication for a field day to review fields for various Field Improvements to get quotes on. Such as Bull Pens, Majors Field (fence, press box, stands), Juniors cages and bullpens and anything else to improve. We'll get quotes and decide what we can move forward with.

Snack Bar – Water Fountain – We can get a water fountain for the snack bar / field.

Christina Gonzalez is going to first get information on cost for water purification system to install in snack bar, may be more cost effective and less likely to be vandalized.

The league this year has had a lot more missing items / vandalism than normal. Missing about \$1000 in new tees, sending communication to parents and coaches. Other equipment is left out and then damaged by middle schoolers during school hours. Goal for 2023 is to find a better way to manage equipment and items for league.

Fall Ball communication and registration will be set up in next few weeks.

Marc Musitano, Dafna Dellamaggiore, Eric Ingemunson will help manage fall ball this season.

Registration – Roy Oliver will set up registration through Sport Engine

Teams / Uniforms – Roy Oliver will coordinate with Marc on uniform orders and teams

Coordination with Santa Su / CVLL / SVBL (Juniors) – Roy Oliver will introduce team to other leagues to coordinate games and schedules

Scheduling – Roy Oliver will guide team on making and communicating schedules

Communications, coach coordination – Roy will work with team to train on process

Weekly Management – Team will run fall ball
