

ARCHER GIRLS LACROSSE

January 2020 Newsletter

PARENT/PLAYER MEETING - WEDNESDAY, JANUARY 8TH THE COMMONS

Archer GLAX will hold a mandatory parent and player meeting on January 8th in the Commons. Coach Stuart will outline her expectations for tryouts. The Booster Club will go discuss dues, season fundraisers and volunteer expectations. We look forward to seeing you at the Spring Season meeting as tryouts are on Tuesday, January 21

PRESEASON CONDITIONING

Preseason conditioning January 13-16 from 2:30 - 3:45. Bring appropriate running layers for indoors or outdoors. Must have a physical on file. Players not participating in a winter sport are expected to attend.

HOT CHOCOLATE PARTY

We had fun at our annual Hot Chocolate Party/Sock Swap. Thanks Adina Hipp for hosting!

Tryout Information

Lacrosse tryouts will be held Tuesday, January 21 - Thursday January 23 2:30-4:00. Since some of our players participate in a winter sport and will be unable to fully attend tryouts, Coach Stuart has elected to begin the season with a larger JV team. This will allow the coaching staff to fully evaluate all of the players during the first couple of weeks of practice. As with past seasons the coaching staff will be moving JV players permanently up to the Varsity Team throughout the season.

BOX LACROSSE

*Archer's first Box Lacrosse team.
Special thanks to Chad Williams
for coaching and Amy Young for
organizing.*

Sponsorships

We are still looking for companies to sponsor our team; sponsorship forms can be found on our website. Does your company match donations? Please consider submitting a matching donation request to your company.

Spring Season Volunteers

After tryouts the Spring Season starts right away. Each family is expected to volunteer during the season. More information about expectations and the volunteer requirements will be shared at the Spring Season meeting

Spring Committee Support

We have several spring activities we would appreciate your help with.

Banquet Senior Night

Please contact one of the board members and let us know where you'd be willing to help out
