**Cost:** Any Donation Helps

**Why:** USA Oklahoma Wrestling is the non-profit organizing body responsible for helping develop and sustain Oklahoma Wrestling. With the cancellation of summer wrestling and many other events due to Covid-19 pandemic, USA Oklahoma Wrestling has been financially impacted. We are in need of your support to help fund summer wrestling and possibly the upcoming winter wrestling season too.

**What:** There is a very strong possibility that our sport will need support to function outside of the school systems if it is shut down due to Covid. This means that we would have to fund facilities for practices, competitions, regionals, state, etc. Money donated would also help fund teams traveling and summer events. *\*No volunteer, board member, or position is a paid position and receives no money; all money will go directly towards Oklahoma Wresters.*

**SEE BACK ON HOW THE DONATIONS WILL BE COMPETITELY DRIVEN!**

In the spirit of competition, please pick ***YOUR*** donation team:  
The team with the most donations for OKUSA wrestling will be recognized at the awards banquet/golf tournament on 10/3/20.
