Favorite snacks:	Lol... chocolate? salty foods? I like pretty much everything!
Favorite Loon Trail:	Tough one... depends on conditions... On a great ski day, I love the woods. But I love a good long groomer too like Flying Fox. In U10 terms. I just love to do TTBs! Anywhere!
Favorite Spot in town:	My couch with a cup of tea and slippers :)
Pets:	2 daughters :)
Favorite part about coaching:	The smiles! 2021 was rough to not see the smiles.
Least favorite part about coaching:	Whining... but thankfully U10s do not do that very often :)

Ski racing and/or coaching experience:	<p>Raced all my life starting at Nashoba Valley in MA, then for BBTS in high school. Went on to race in college for UMASS, with 1 year racing at CU Boulder. Went to Gould Academy right after college to be a coach and teacher. Coached Sasha Rearick! Then "freed my heel" and started racing again on Telemark skis while I was in graduate school. Raced my way to the US Telemark Ski Team, and spent a few years doing that before getting married, moving back to Massachusetts, having kids, and returning to where I started at Nashoba Valley, coaching their youth program. When my kids were U12 & RR, we followed Coach Pez to Loon, and here we remain!</p>
Where do you spend Monday-Friday:	Massachusetts
Where did you grow up skiing:	<p>I skied Nashoba Valley during the week and raced for BBTS on the weekends. My family liked to go different places for Feb break to ski lots of fun places!</p>
When you aren't skiing, how do you spend your free time?	My new guilty pleasure... PickleBall!

One piece of advice you received from an adult when you were younger	Life is short. Enjoy today and try not to worry about tomorrow.
An interesting or fun fact:	Other than what I said above... 2 fun facts. 1- during the week, I work for Lexia Learning. Many of our racers may be familiar with Core5 which they may use in school. Other fun fact... I went to High School with Coach Edry! (Actually, there are 4 coaches from my high school (plus 1 coach-spouse) and we're from MA!
According to youth who know Coach ...	Coach Dana is organized and always has a plan. She really loves to ski and teach skiing. She is strict but not too strict. She wants to have fun with us.
