Terrapin Top 10 Record Board

Recognition Program

The Terrapins Swim Team Top 10 Record board has a long history of naming some of the best swimmers not only on our Team but also in the country. Many of the times you still see on the board for the athletes were also National & World Records at the time they were achieved. Our Record Board is not an easy one to make it on to, and in many cases swimmers may have very successful and high level swimming careers and still never accomplish times that get them on the board. We feel it is important to recognize swimmers that achieve getting on to the board through their Desire, Dedication & Determination. We have started two awards to help recognize these accomplishments. Our “Top Ten Record Board Award” and our “Team Record Holder Award”.

Top 10 Record Board Award

Any swimmer achieving a time which qualifies for the Top 10 Board will receive a special T-Shirt as recognition.
