Our Booster Club actively supports PHS student athletes participating in one of Arizona's best 6A football programs.

What is the Pinnacle Pioneer Football membership drive?

Our membership drive has a successful history! We didn't have a membership drive last year (2020-21 season) but thankfully we still had a season! **Membership is back for the 2021-22 football season and we need your participation. We respectfully ask that all football families officially join the Pinnacle Pioneer Football Booster Program via the membership drive.**

This year our membership goal is \$40,000. If every family joins at the \$250.00 level, we will reach our goal! Please know we say this recognizing that every family has been impacted by the pandemic (as well as other personal issues) so... **please pick a membership level that is best for you and contribute.** We have a good range of levels: from \$100-\$1,000! **Every level comes with perks such as yard signs, field passes, signed footballs and even reserved parking spots!** The membership drive is one of several efforts to support our players. Some efforts raise money through the donations of friends and extended family members, others from corporate sponsorships and this one from your immediate family. Collectively, all our efforts impact the PHS football program and vision. If you have any questions about the membership, please reach out to operations@pinnaclefootball.com

What does your booster club do?

The Booster club provides over 90% of the operating funds needed to run the PHS football program. On average our \$250,000 yearly budget is spent on equipment, supplementing pregame and post game meals, transportation, and various other expenses. Your membership support helps provide the coaching and equipment resources required to field a Varsity, JV and Freshman team; plus, the various events and projects that help our players achieve their potential. Here is a brief summary of what membership and other fundraising efforts supports:

- ✓ Training equipment/weight room
- ✓ Updated uniforms
- ✓ Broadcasting services
- ✓ Action photos
- ✓ Safety standards
- ✓ Coaching clinics
- ✓ Upgraded pads and helmets
- ✓ Hudl
- ✓ Player scholarships for sports related expenses
- ✓ Senior gifts
